# *Earlham is a place of many meanings . . .*

The years we spend at Earlham  
are filled with contrasts—  
contrasts between  
the hilarity of shared watchtowers  
and the quiet loneliness  
of a walk in the cemetery;  
contrasts between academic discipline  
and extra-curricular fun.  
In these contrasts we have come to see  
the real nature of Earlham  
that lies behind the words in the catalog  
and after four years  
we see Earlham as a place of many meanings.  
We hope to show these contrasts  
in the following pages—  
the real nature of Earlham College.

## **CONTENTS:**

Tree-leaves labour up and down,

And through them the fainting light

Succumbs to the crawl of night.

Outside in the road the telegraph wire

To the town from the darkening land

Intones to travelers like a spectral lyre

Swept by a spectral hand,

A car comes up with lamps full-glare,

That flash upon a tree,

It has nothing to do with me,

And whangs along in a world of its own,

Leaving a blacker air

And mute by the gate I stand again alone,

And nobody pulls up here,

—Thomas Hardy

*No man is an island,  
entire of itself...*

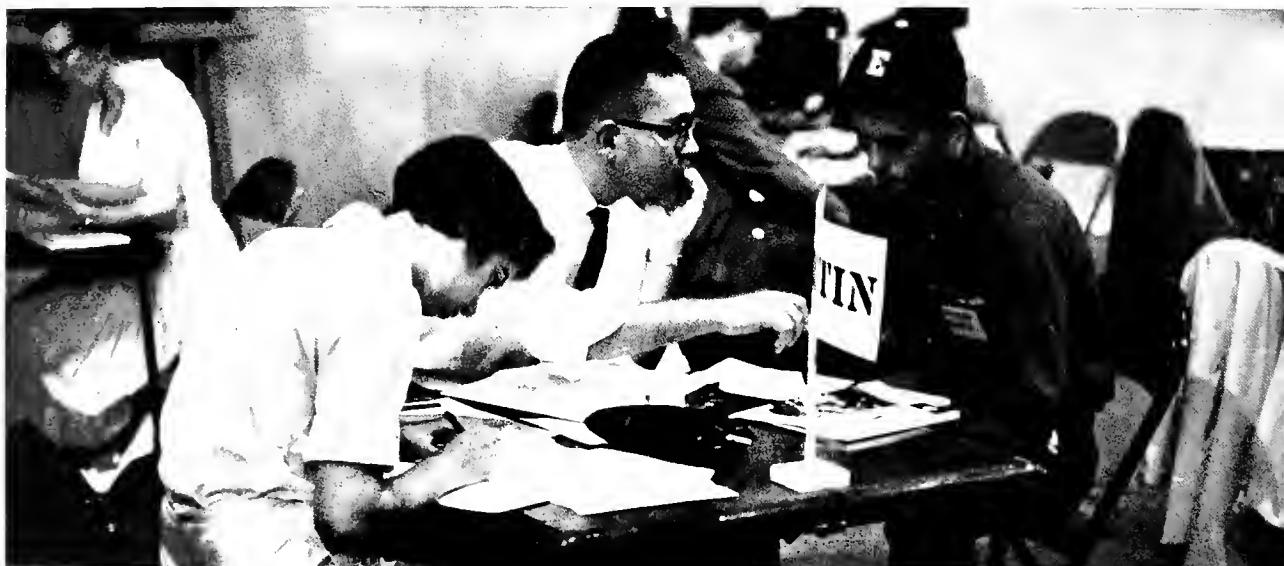

A freshman's introduction to Earlham, and  
an upperclassman's homecoming, occur at registration.

For the freshman, registration is the  
initiation into the complexities of education.

All the students face an indecipherable schedule,  
where prerequisites and necessary courses constantly conflict.

Next, the rush to the bookstore, where students

bemoan the expenditures and sometimes remember to purchase  
the reading program book.

The debate about the program begins . . . really  
a vital part of the intellectual process?

. . . Pass the test without reading the book? . . .

After the formalities, work begins, and with it,  
the search for a secluded study area. Lights  
burn late in Carp, the Meetinghouse, the dorms—  
all space soon occupied by the book-bound.

*And out of the chaos and confusion come  
concentration, work, and order...*

*Knowledge is gained  
through pleasure, effort...*

SHOULD BE FRIDAY  
MARCH 13 TUESDAY  
OMMIT  
C WE WILL  
ALL GO TOGETHER WHEN  
WE GO  
QUIT THINKING  
START STUDYING  
WHAT IS ENLIGHTENMENT  
READ MUCH  
WHAT NATURE DOESN'T  
DO TO US  
WILL BE DONE BY  
FINAL EXAMS  
STOP CHEERING AND  
SMILE  
  
PLACE NOTICES TO BE  
PASTED AT END OF TERM

A man from Kenya speaks about his country,  
and insights not in books are achieved.  
  
At the Crownin' Cock,  
a professor comes out from behind his desk  
to read e. e. cummings in the coffee smell and smoke haze.  
  
Visitors like Henry Margenau bring with them increased awareness  
Then comes the grinding out of papers,  
and reading 'til the pages blur.  
  
Kill the giant at the end of the term,  
hop the 6:55 to New York, hit the road for  
Lauderdale, or catch a ride to Centerville.

*Pomp and ceremony  
for [redacted]  
and solitude after . . .*

The candlelight hides the dinner, and gives even  
the homely girls  
an aura of grace and polish.

But after the last grape has been thrown,  
the chairs go up,

and the grand ballroom  
is cleaned for the next day's confusion . . .

Picnics and outings are made even more enjoyable  
by a cacophony  
of Kingston Trio, Weavers, and Wobbly songs.

*"Viva la compagnie"*  
*Everybody's here;*  
*yet ones and twos*  
*find a life apart . . .*

The Sophomores march to victory with the slogan

"We Auto Win," to the Junior's chagrin.

Conviviality extends to the lobby of EH,

where everyone joins in the folk-sing. Then,

a day in spring, with or without the jug of wine,

loaf of bread, so long as thou art . . .

The jump for stolen treasure from the orchard,

much, much better than the unending display

of apple recipes in caf . . .

And the introspection

of the individual into the many, many faces

of Eve.

## *Many ideas and ideals meet at Earlham . . .*

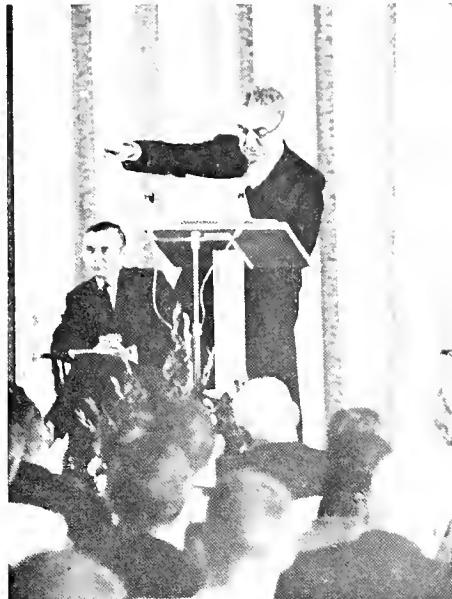

The individual sometimes succumbs  
and relates himself to others.

For some, the ideal becomes real  
in the singular  
solemnity and meditation of meeting;

for others,  
it is a private  
and personal process.  
But once one

has resolved his feelings, the challenge  
is met in debate.

Pell-mell profundities and devious discussion  
provide one with a means of testing the validity  
of what he has learned—  
Testing before the opinions and knowledge

of others.

*Academic,  
Administration*

Row 1 James Cope, Murvel Garner Row 2:  
Carolle Markle, William Stephenson. Not  
Pictured: Cameron Gifford, Gertrude Ward.

The Biology Department received a large share of National Science Foundation grants this year which kept their independent study programmers occupied with many different research activities. While general biology students groaned at the sight of fetal pigs (and did you know? There was pork for dinner that night!), upper class students in lysolized surroundings grew cultures of *E. coli* and similar bacteria, hunted for eucalyptus leaves, and mumbled about the autonomic nervous system of cats.

## *Garner retires; Stephenson wins Doane Award*

A zoologist from Washington State University, Donald Farmer, discusses many aspects of his work in the Antarctic with students in Coffee Hour.

Bill Stephenson, this year's recipient of the Doane Award for Outstanding Teaching, and Chairman of the Department with Carolle Markle on leave, held teas on Monday, Wednesday, and Friday at 4 p. m. The teas were attended by several devoted scientists who spiked their tea with a mysteriously labelled compound and munched cookies from the specimen closet. The senior seminar group favored punch, and they discussed evolution's many aspects.

After forty years of fine teaching and faithful service in Earlham's Biology Department, Murvel Garner retired in June of 1962.

Student Tony DeBlase pursues his biological studies in the basement of the Joseph Moore Museum, a center for instruction in the natural sciences.

## *Museum open house well-received*

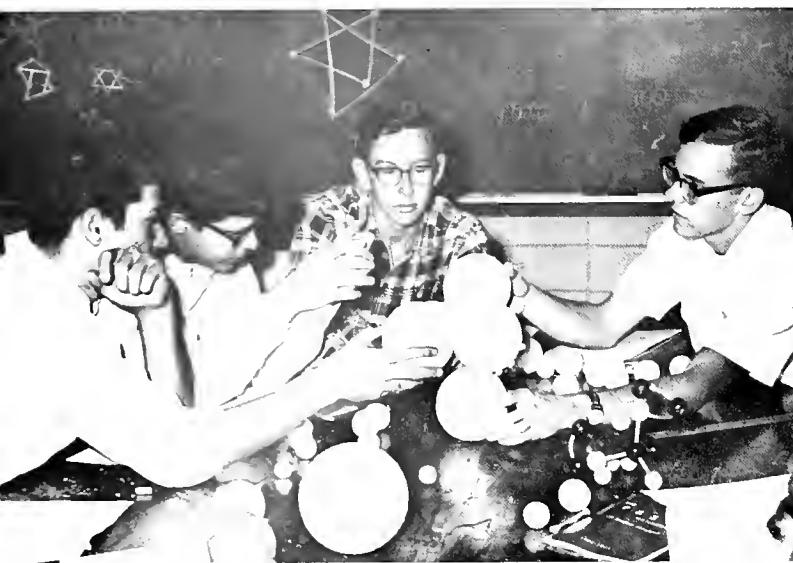

With James Cope as the sole faculty advisor this year, the Joseph Moore Museum was operated almost entirely by a student staff. The staff was responsible for displays, the store, and the general work. Several were specialists responsible for the scientific collections.

In early February, the Museum held an open house. Carole Cole and Tony DeBlase managed the affair which included new displays and special showings of the films of the mastodon excavation in 1960 and of the Cope-Fowler expedition to British Guiana in search of the harpy eagle. The attendance totaled 1500.

Open-house at the Museum attracts Bill Black and Sally Ward, who are intrigued by the display of snakes on the first floor.

# *Chemistry Department still strong on CBA*

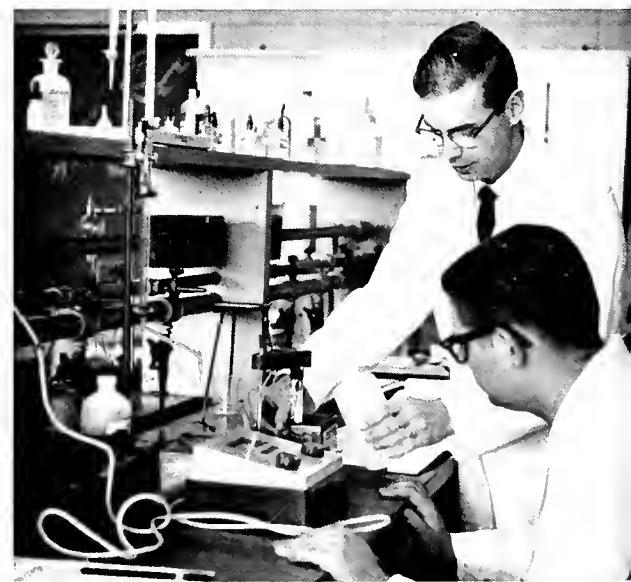

Constructing models from styrofoam balls aids students reach a better understanding of chemical structures studied in course.

The CBA program, the Chemical Bond Approach, to the uninitiated—continued to turn the Chemistry Department upside-down this year. The three secretaries on the fourth floor of Dennis Hall were kept busy by Larry Strong, Chairman of the Department. The revised Earlham chemistry curriculum is still being revised and is beginning to feel the impact of the self-instructional ideas which are permeating almost every department of the college.

However, not every aspect of chemistry has been modified. At the constant urging of professors, students still concocted evil-smelling brews and titrated to the point of distraction. Data were tabulated and laboratory notebooks turned in.

Row 1: Gerald Bakker, Otto Theodor Benfey. Row 2: Robert Pearson, Wilmer Stratton, Lawrence Strong. Not Pictured: Earle Scott, Mario Sheer.

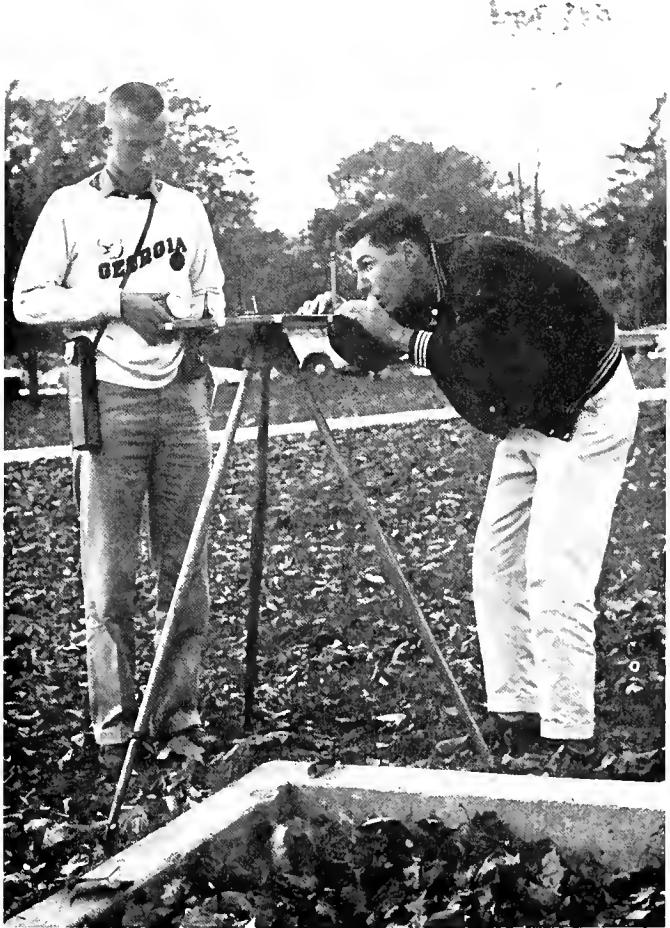

Wilmer Stratton advises student Jim Sparks in his work with a pH meter in the Ions chemistry laboratory.

Ansel Gooding, Charles Martin, James Thorp.

The staff of the Geology Department was constantly on the move this year. Ansel Gooding returned from a summer in England to resume his duties as Head of the Department. During the spring term, he was granted a leave which enabled him to continue his valuable work in the field of Pleistocene glacial geology. His place was taken by James Thorp, long-time professor of soil science here, who returned after a brief absence. Most of the teaching load was taken up by Charles Martin.

## *Geology students go to Smokies*

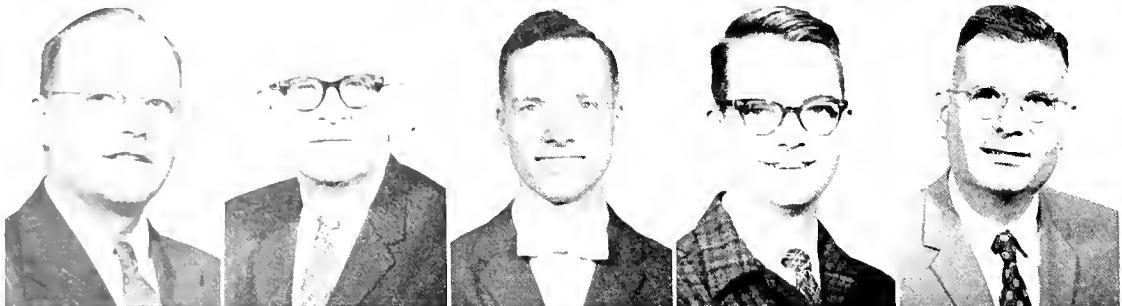

Using a surveyor's transit, geology students John Burton and Jim Gamble gather data for a contour map of Earlham's Campus

In the laboratory and in the field, students applied classroom knowledge in such episodes as the annual spring field trip. This year the trip included travels to eastern Tennessee. The students examined the structure of the Great Smoky Mountains, including a series of thrust faults known to some paleontologists as the Martin Faults.

Geologist Charles Martin examines student Jim Gamble's independent study project for structural geology

## *Mathematics courses expanded*

Howard Alexander, Clifford Crump, Rainer Guting, Marlon Rayburn, Roland Smith.

Lou Beverly ponders a problem at seven o'clock in the morning in Rainer Guting's mathematics seminar.

With Howard Alexander on leave, Clifford Crump took his place this year as Head of the Mathematics Department. The goal of the Mathematics Department continued to be twofold. First, it sought to provide basic knowledge for those continuing their study of science. Thus, the curriculum was expanded. A course in complex variables was added this year. Next year the membership of the Mathematics Department will be increased to a total of six.

The second part of the goal of the department was to provide a separate program for those who wish to teach mathematics. Here, Earlham has had an influence on the Richmond area when Roland Smith conducted the annual "In-Service Institute for Teachers of Mathematics," supported by the National Science Foundation. Night courses were also given for graduate credit to engineers in the Richmond area.

General Physics students, David Boettiger and Mike Hooker, work with an alternating current series circuit as one of their laboratory experiments in the third term.

## *Physics tries new methods*

George Assousa, David Tellair, George Van Dyke

The Physics Department faced difficulties last term this year because of the illness of George Van Dyke, Chairman of the Department. With the return of David Tellair, after a year at Washington University as an NSF Faculty Fellow, came new lab experiments and new methods of teaching for the general physics class. The curriculum was changed so that a student majoring in physics would be able to start the general physics course as a freshman rather than as a sophomore.

Physics research was advanced by the acquisition of a neutron howitzer and a 512-channel gamma-ray analyzer. The neutron howitzer, constructed by physics majors, will greatly help students who are interested in artificial radioactivity and the study of neutron physics. The "512" was purchased with funds from an NSF grant for use in the summer soils research program, but was in use almost all the rest of the year.

Physicist Dave Teffan and mathematician Rainer Guting have a leisurely luncheon at Clifford Gaump's table of students.

## *Psychology emphasizes independent study*

Psychology major Wendy Hartley puts Peggy Clepper through her paces in an interesting course experiment held in Carp

Any phase of the study of people was considered important at Earlham; the Psychology Department studied the thought and behavior of people. Although not a strong department, this one included courses representing several different aspects of psychology; social experimental, child, and industrial were among them. Much emphasis was placed upon independent student projects, including some work done in connection with the local mental hospital. The department is hoping for increased facilities when the remodeled, old library becomes headquarters for the Social Science Division.

Paul Whitley retired after being Head of the Department for the past three years. Fred Grohsmeier and Jim McDowell, who both taught several courses, contributed much time to the counseling program.

Janet Cooper observes a little boy, playing with blocks, to complete her project in child psychology.

James McDowell, Paul Whitley, NOT PICTURED,  
Fred Grohsmeier.

William Fuson leads a discussion on social stratification in an introductory course.

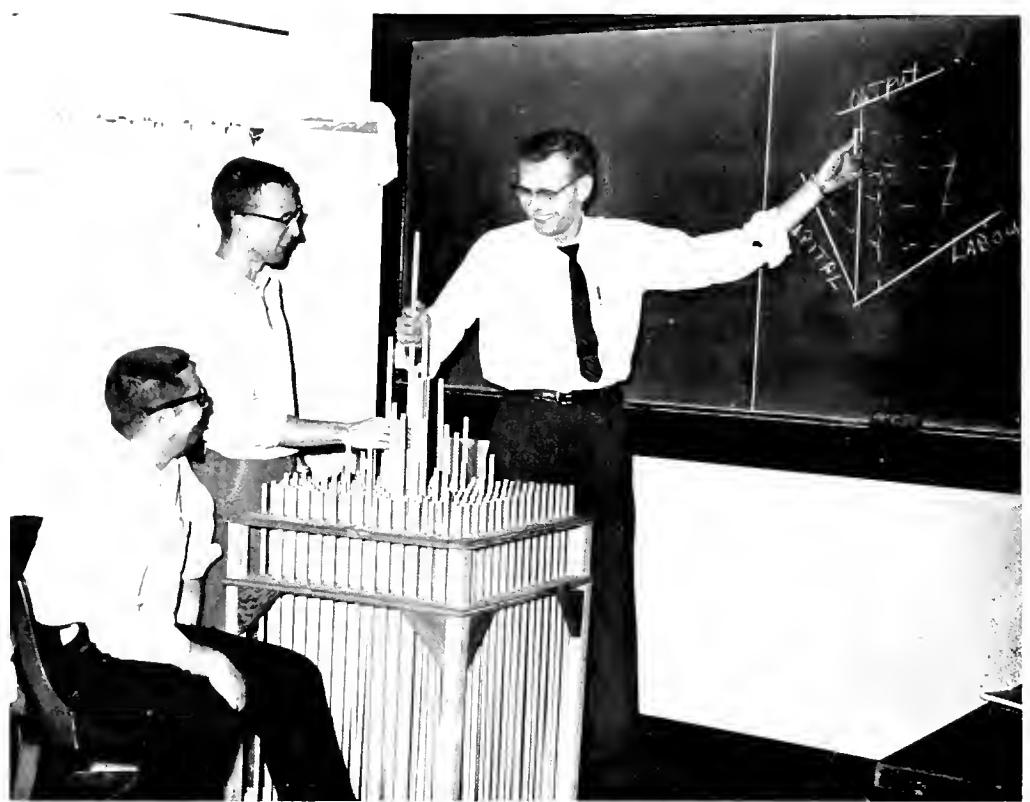

## *Sociology students make surveys*

William Fuson, Mary Lou Kuvawski  
NOT PICTURED: Donald Rover.

One of the most noticeable departments on campus was the Sociology Department, under the Chairmanship of William Fuson. Its existence was made obvious when its majors distributed a multitude of questionnaires to the student body on topics ranging from dating at Earlham to factors influencing the development of prejudice. Such surveys were made in connection with classroom study of human society.

Departmental facilities were extended as students visited various institutions including Carter Hospital in Indianapolis, worked at Townsend Community Center in Richmond, and planned a term's study at Merrill-Palmer Institute, the school in human development and family life at Detroit which is affiliated with Earlham.

Gilbert Klose shows three-dimensional graph to economics majors Jim Pence and Tom Fisher.

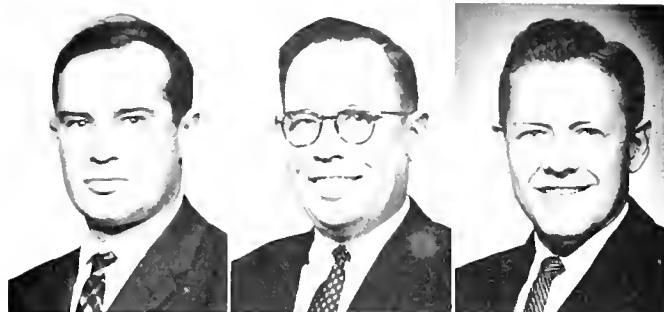

Row 1: Joseph Coppock, Charles Huey Row  
2: Gilbert Klose, Claude Stinneford. Not  
Pictured: John Clinkenbeard.

## *Many students take basic economics courses*

A larger number of students than ever took basic courses in the Department of Economics, headed by Claude Stinneford. More emphasis was placed on the importance of mathematics courses as supplementary study. People who are interested in business theory, rather than pure economics, can take some courses in the EC-IU Center. This year John Clinkenbeard, the college accountant, taught the course in accounting practices.

Gilbert Klose worked with professors from Antioch and Wilmington Colleges, laying the groundwork for a faculty-student institute meeting to be held annually. Beginning next fall, the three colleges will host the group in rotation, studying various problems in the area of economics.

Row 1: Hugh Barbour, Wilmer Cooper, Joe Elmore Row 2: Grimsley Hobbs, Alexander Pinsky, Elton Trueblood Not Pictured: Elmer Brown.

Students in Religions of the World besiege Hugh Barbour with questions after class is over.

## *New school planned*

The past year has been a significant one for the Departments of Philosophy and Religion. In the summer of 1961, Elton Trueblood retired as the Chairman of the two departments. The Board of Trustees then appointed Grimsley Hobbs to be Chairman of the Department of Philosophy and Hugh Barbour to be Chairman of the Department of Religion. During the school year, the Trustees announced definite plans to establish a three-year School of Religion and appointed Wilmer Cooper head of this program.

The two departments and the campus at large enjoyed the visits of distinguished scholars in both fields, such as Charles Malik, Henry Margenau, Carl Michalson, and George Butterick. These men provided valuable stimulants to the regular class work in both departments and to the life of the campus. In addition, groups like the Philosophy Club sponsored discussions on such topics as "God and Evil," and "Does Order Imply Purpose?"

Elton Trueblood introduces Aristotle's *Nichomachean Ethics* to an attentive philosophy seminar in League.

After class, Joe Hoskins continues discussion begun in political science seminar

J. Arthur Funston, Joseph Hoskins.

Arthur Funston advises junior political science major, Wilbur Linder about his possible choice of graduate schools following graduation.

## *Political science experts speak*

The various courses in the Political Science Department offer students the opportunity to learn both the theoretical and practical approaches to political science. Arthur Funston, Chairman of the Department, tended to stress the theoretical aspect, while Joseph Hoskins, experienced as the president of the Richmond Common Council, tended to concentrate on practical politics.

This year, the department brought several outside speakers to the campus as lecturers in specific courses. Among these were William G. Dennis, President Emeritus of Earlham and a well-known international lawyer, and Arthur Morgan, President Emeritus of Antioch College and former Chairman of the Tennessee Valley Authority.

In October, the Seasongood-Earlham Institute of Local Government brought Thomas Reed, a leading authority on local government, to the campus. The annual Institute of Foreign Affairs, held April 19-20, concentrated on under-developed countries and featured Barbara Ward, noted author and economist.

Jackson Barley, Edward Bastian, Lewis Hoskins, Daniel Levine.

## *History adopts new courses*

After a full year's experience with the 3-3 plan, the History Department, led by Chairman Arthur Funston, adopted several new courses and altered others. "The World Since 1914" drew on the talents of many to present a challenge to the students. Western Civilization and American Civilization caused apprehension and late hours, but they were usually worth the work. "Interp." Interpretations of History, presented two challenging terms in the analysis of major historians from Herodotus to Max Weber. The history majors seminar produced long theses on class attitudes in American culture. This two-hour gathering was followed, for many history majors, by another hour of Russian history—a full day to say the least!

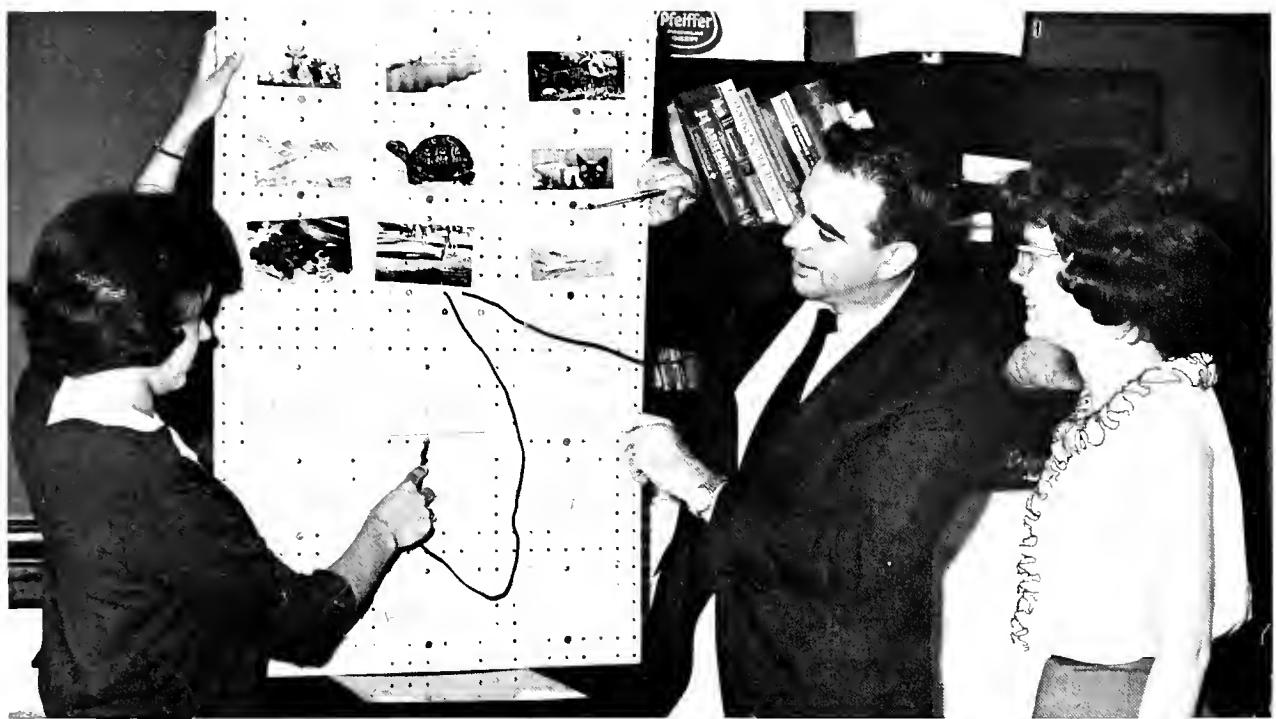

The ancient maxim of G.H.L. remained valid in many history courses for one more year; it is not always certain in which language a lecture will be given.

Edward Bastian gives Bill Tabb, Dick Levy, and Stu Rafert advice regarding the Russian history final—study!

A special discussion with Norman Thomas convives in Jones House.

Chuck Reasoner examines the potentialities of an elementary education project with its creator, Sally Peterson, and Jane Telfair.

## *Students observe in local schools*

Elementary Education majors Miriam Marecek and Mimi Mills work on arts and crafts projects, part of their course of study.

Education is a popular department with Earlhamites. A person can major in elementary education, or prepare for the secondary schools by majoring in his teaching field and taking a professional sequence of education courses.

Observing in the local schools, part of the introductory course, is an eye-opening experience for anyone. Another part of the course is an examination of education in other countries (soon to have the addition of Japanese education as studied by Milton Kraft, Chairman of the Department).

Milton Kraft, Charles Reasoner, Daniel Smith, Nor Pictured, Esther Curtis, Billye Elmore.

Row 1: Stanley Hall, James Huntsman, Jerry Rushton. Row 2: Mary Taylor, Kathryn Weber, Thurman Wright. Not pictured: Daniel Kinsey.

## *Department aims for physical fitness*

Earlham's philosophy about physical activities is reflected by the active participation of many faculty and administration personnel in the bi-weekly faculty volleyball sessions and other intramural sports.

The men's division of the Department of Physical Education, under the direction of Stanley Hall, emphasizes physical fitness and competency, and the learning of skills in individual and team sports such as soccer, football, volleyball, tennis, and golf.

The women's division, headed by Kathryn (Bud) Weber, also urges students to experience team and individual sports. Some changing emphasis in a few courses has come recently with the recognition that more women are assuming a multiple role in society as homemakers, job-holders, and participants in community affairs. Body Mechanics is aimed toward efficient use of the body and toward reduction of fatigue; Recreation Leadership gives ideas for home and group leisure hours, and Camping and Outings teaches techniques and methods for youth and families in the outdoors.

Paul Kean strikes mightily at softball in physical education class taught by Jerry Rushton in the spring of the year.

Mary Taylor teaches a spring-term physical education class one of the intricacies of lacrosse—dodging—in an afternoon session.

## *Elmira Kempton*

My Mother Bids Me Bind My Hair—sings Cindy Cunningham

COLUMN 1: Lawrence Apgar, Manfred Blum, Leonard Holvik. COLUMN 2: E. Orville Johnson, Arthur Little, Elmira Kempton. NOT PICTURED: Hazel Dell Nordsiek, Marjorie Lohman, Richard Jones.

## *retires after 26 years*

Elmira Kempton, retiring Head of the Art Department, was honored at a tea on the day before commencement, in the midst of the Esther Griffin White Collection, which was donated to the college last fall and restored by Elmira Kempton and some of her students. At the same time, the Senior Art Exhibit was held in Jones House, featuring the work of the three graduating seniors in the department.

The Department of Speech and Dramatics prepared students for participation in school, church, and community activities by teaching them the techniques of effective communication. Extracurricular activities were an important phase of this department. Students were encouraged to participate in the plays which were presented throughout the year by the Mask and Mantle Club, and to enter speech and debate contests, under the sponsorship of Orville Johnson, Head of the Department.

The Music Department gave to many students a background for listening enjoyment, while more serious persons studied piano, organ, voice, flute, clarinet, violin, and viola. Pleasure was given to the community at large by Concert Choir, directed by Chairman Leonard Holvik, by Earlham Chorus, directed by Larry Apgar, and by several ensembles of various kinds, directed by Manfred Blum.

Elmira Kempton watches student Roger Asay utilize his technique

First-place winner, Genie Showe, and second-place winner, Alice Hegedus, discuss their respective speech topics with Orville Johnson after the extemporaneous speech contest third term in Dennis Room 110.

## *Language Department utilizes recorded materials*

Row 1: Sirkka Barbour, Robert Brewster. Row 2: Hans Buchinger, Mary Lane Charles, Charles Deardorff. Row 3: Allen David Hole, Jr., Charles Matlack, Loretta Mosier. NOT PICTURED: Patricia Gibby, Keith Myers.

Students taking courses in the Language Department, under the Chairmanship of Allen Hole, this year found more opportunity to turn knobs, adjust earphones, and splice tapes, as the department continued developing the use of recorded materials. This placed more responsibility for learning on the individual student, as did the self-instruction program.

Evidence of the interest in languages could be seen and heard at conversation tables at dinner, on the opinion board, and in highly entertaining and informative Convocations and teas. The German foreign study group, returning to campus in the winter term, enjoyed the distinction of being the first Earlham College student group to go officially into a Soviet satellite country. Next year groups will be studying in France, Spain, Finland, Russia, and England.

The participants in the French Foreign Study Group meet together with the Holes, as the guests of the Harold Copes, for their usual supper discussion on Sunday evenings in preparation for their trip.

The tapes in the language laboratory are designed to make learning a foreign language easier for students as these,

Charles Deardorff and Lauretta Mosier talk about the common difficulties they face in presenting their respective languages to their students.

Row 1: Forrest Altman, James Beck, Wayne Booth. Row 2: Endine Dunn, Leigh Gibby, Helen Hole. Row 3: John Hunt, Kathleen Postle, Warren Staebler. Not Pictured: Warren Khewer, Paul Lacey.

*English offers*

In the spring Freshman English classes, like Forrest Altman's, meet on the lawn of Carpenter Hall.

Eliseo Vivas, Professor of Philosophy at Northwestern, perplexes Wayne Booth and students with his esthetic theory in Goffee Hall.

## *comprehensive program*

The program offered by the English Department, under Chairman Wayne Booth, allows the student to develop ability in understanding the relationship of literature to life. Its immediate function was to teach the student to read and write. Most English majors learn that the acquisition of these skills is no simple matter.

Such instruction is invaluable to students who do not plan to major in English. These students, who fulfill requirements in the department, are introduced to literary works that comprise an essential part of the thought and culture of our world. English majors proceed in their development of critical ability and appreciative experience through a comprehensive program, which was revised in 1961. This program involves six required courses which begin in the junior year with an introduction to the study of literature.

Courses devoted to sequential centuries of English literature follow, and a study of literary criticism conclude the required classes. In the last term of his senior year the English major consummates his undergraduate concentration by writing a thesis. The subject is chosen by the student from the rich field of English literature; the completed papers may well be of credit to Earlham, as well as to the individual.

Author Alfred Kazin discusses literary criticism with interested students in Coffee Hour after Convocation in Goddard.

Senior English theses are finally returned! Wayne Booth discusses Larry Avronson's thesis with him in the hall outside of Wayne's well-visited office in Carpenter Hall in between classes

Economist Barbara Ward, a participant in the Earlham Institute of Foreign Affairs, presses an urgent task at Senior Convocation in her speech entitled, "The Challenge of the Developing Areas," to attentive audience.

## *Special programs stimulate thought*

In order to learn a language quickly, Richard Smith uses a self instruction unit worked out at Earlham for such a purpose.

Overlapping departmental lines and extending into the extracurricular life of the community are some special programs in several areas.

The thirty-first Institute of Foreign Affairs was opened by the Senior Convocation speaker, Barbara Ward, author of the third term reading program book, *FIVE IDEAS THAT CHANGE THE WORLD*. These three programs were effectively tied together.

A notable convocation speaker was Robert A. Scalino, brought here by the program in Non-Western Studies to discuss "Moscow-Peking and the Asian Communist Movement." In the spring, Ford Foundation granted \$275,000 for a three-year continuation of this experimental program. Part of the money will be used by eight Earlham and five Antioch professors who will travel through Japan during the summer.

Students also travel in foreign lands. First term found a group in Germany, and June saw a "mass

Dr. Margaret Cormack and Tom Jones meet at the conference on undergraduate education to discuss problems facing women

## *in several areas*

"exodus" to France, England, Finland and Russia.

Many departments saw a new emphasis on careful evaluation of self-instruction programs. Chemistry, Russian, music, geology, biology, and religion will continue using them, although the three year program of experimentation ends in June. Dan Smith, who came this year to head this program, will continue his own research for improvements and revisions in the methods shown to be promising.

The program in Family Relations brought Robert Blood, David Mace, and Ethel Alpenfels to campus for its Family Life Institute, and sponsored talks on dating and premarital intercourse by Joe Elmore. The last major project of the program's director, Mary Lou Kuyawski, who is resigning to complete her doctoral dissertation, was coordinating a Conference on Undergraduate Education of Women, which brought distinguished educators, deans, and college presidents from around the country.

Non-Western lecturer and Professor of Political Science at UCLA, Robert Scalapino, talks to interested students about the political party system in modern Japan in an afternoon session.

President of Earlham College  
Landrum Bolling

## *President Landrum Bolling busy both off the campus and on*

Landrum Bolling, president of Earlham College, felt a special tie with this year's graduating class, which arrived on campus as he entered office in the fall of 1958. Before that he had served on the faculties of Brown University, Beloit College, and Earlham, and had been a foreign correspondent. He also served as General Secretary of Earlham for a period of three years.

This year was another busy one, both off campus and on. He served as president of the Indiana Conference of Higher Education, as Chairman of the Board of Directors of the Association of American Colleges. The high esteem in which he is held by his colleagues in education is illustrated by the honorary degrees which he received in June of 1961 from Anderson College and from Indiana Technical College.

Duty took him away from the campus on several occasions, but he spent as much time as possible with students when he was at home. A strong supporter of campus activities, he attended many plays, concerts, and sports events, usually accompanied by his wife, Frances, and their children. Landrum Bolling spoke in Convocation at four different times, presenting college policy or commenting on world affairs.

To keep in touch with students, Landrum Bolling meets monthly to lunch with student leaders in Jones House.

At Freshman Outing Landrum Bolling chats enthusiastically with new students.

*Margaret Beidler, Dean of Women*

Margaret Beidler is a familiar figure at Earlham. This year, she became Dean of Women after the retirement of Elma Clark. Mrs. Beidler had been associated with the American Friends mission to the United Nations before becoming Dean.

*Frank Short, Assistant Dean of Students*

Frank Short, newly-appointed Assistant Dean of Students, is an alumnus of Earlham. In his new capacity, he has assumed much of the counseling load from Eric Curtis. He and his wife Phyllis are head residents in Bundy Hall.

*Eric Curtis, Dean of Students*

Eric Curtis, in his role as Dean of Students, is faced with a variety of duties, from counseling to presenting students for graduation. His activities, however, are not limited to this job, for he is an ardent sports fan and is active in the Richmond Civic Theater.

### *Bookstore, Business*

Business Manager Hal Cope discusses the problems of running the college bookstore with its manager, Vernon Rohe.

### *Registrar*

Myra Jane Coate, Registrar, spends a large percentage of her time helping students untangle the red tape of registration procedures.

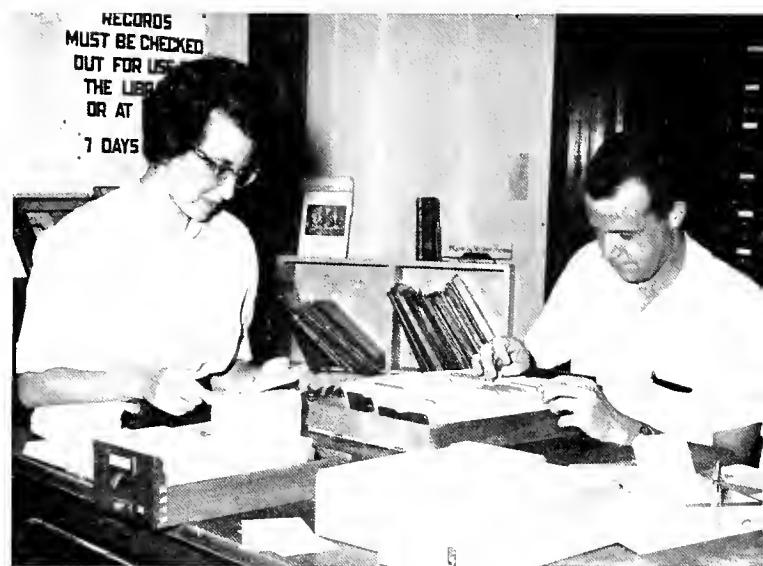

### *Admissions, Post Office*

Admissions Officer Darrell Brane escorts a prospective student on a tour of the campus. He introduces her to Postmistress Alice Ferguson.

Manager of the Accounting Office, Mervin Taylor, helps Marta Lissitz work out a financial matter, thus performing one of his many duties in the office.

As one of his many duties as the head librarian, Phil Shore checks the catalogue cards which Kris Wright has already filed.

The preparation of yummy delicacies from the Earlham Kitchen by Lucy Hoskins is overseen by Dietician Terry Westbrook and her assistants, Betty Clark and Louise Watson, before dinner.

Wanda Harvey, the whole campus' "girl Friday," checks a student's schedule to determine where he can be located quickly.

Nurse Esther Baldwin examines the infirmary stock of medical supplies to make certain that they are complete to fill needs.

## *Services appreciated*

Placement Director Roy Shuckman helps students, like senior Joe Heyman, in their search for summer jobs in spring term.

The head of maintenance, Ray Winchester, supervises the work of two of his dependable crew, Jim Cook and Wilbur Bailey.

Head resident of Bundy, Frank Short, his wife Phyllis, and their children join their counterparts in Barrett, Jerry Rushton and his wife Nanette, for lunch in the dining room at noon.

Head resident of Olvey-Andis Hall, Ethel Miller, visits in the lobby with the office girl on duty there, Ruth Ann Miele.

Emma O'Connell, head resident of Marshall House, snacks with two of her girls, Kitty Hunney and Jeanne Bryan in kitchen.

Mary Taylor, head resident of Earlham Hall, prepares to take girls—and animals—on an overnight camp-out into the wilds

## *Head residents have varied roles*

The two on-campus women's dorms are "mothered" by Ethel Miller and Mary Taylor. Ethel Miller, who lives in Olvey-Andis, teaches courses in advanced cooking and sewing. Mary Taylor, women's physical education teacher, is known as a skiing and canoeing enthusiast. She guards Earlham Hall from raids with the help of her Siamese cat, Sinbad.

Three of the five off-campus dorms have residents. Emma O'Connell, Earlham's housekeeper, watches over Marshall House. Beidler House, the smallest off-campus women's unit, is guarded by Ben and Chris Carlson. He is employed in the Admissions Office. George Assousa, instructor of physics, and his wife, Mimi, are in Jenkins House.

The other two off-campus dorms, Wildwood and Furnas House, are honor dorms, with the students enforcing regulations.

Barrett and Bundy, the two men's dorms, are headed by Jerry and Nanette Rushton, and Frank and Phyllis Short, respectively. Jerry is a member of the Physical Education Department, and Frank is Assistant Dean of Students.

Head residents of Beidler House, Ben and Chris Carlson, have a "special boarder," their daughter, Laura.

Mimi and George Assousa, head residents of Jenkins House, enjoy the view of flowers from their front steps.

*Underclassmen,  
Seniors*

Tony Clark and King Boyer have fun putting grass down Tanya Hicks' back. The Freshman Outing provided many opportunities for such fun and frolic for all those participating.

## *Freshmen have a year of many contrasts*

Row 1: Martha Hitchcock, treasurer; Jon Smith, president; Bobbie Miles, social chairman. Row 2: Pete Taylor, vice-president; Jane Braxton, secretary; Dave MacInnes, social chairman.

Freshmen, freshmen, everywhere,  
Underfoot and in our hair—  
Cutsy-girls and button-boys  
Shouting out their light-song noise.  
The first of four long years they've tried;  
Some have lived and some have cried  
For mommy, Alma mommy here  
Will be for many another year  
And so will they. Their final three  
(We mighty SENIORS all agree,  
If we may judge by this their first  
When they have needed to be nursed.)  
Will be more pleasant all around  
As they make up lost freshman ground.  
But wait. Are we not hitting low?  
They have done *some* things well, you know:  
Their entertaining talent show,  
Their winter fight with balls of snow,  
Their lawn dance (held in Earlham Hall!)  
And last (and first) their trophy tall  
For campus clean-up, won last fall.  
These frosh have come a long way slow,  
But have a long, long way to go.

Fireside singing appropriately climaxes the many activities enjoyed at the Freshman Outing.

We Auto Win, say the Sophs at Homecoming. Whether referring to the team or their float, the answer was satisfactory.

## *Sophomores are triumphant at Homecoming*

Quinnie Bryon, secretary; Len Cadwallader, treasurer; Dave Denslow, president; Sandy Ernstrom, social chairman; Bob Hendricks, social chairman. NOT PICTURED: Denny Hinkle, vice president.

How delightful are these scores  
Of soapt sophistic sophomores.  
With ease the freshman jump they jumped . . .  
Now to their famous stump they've slumped.  
They've done quite well though, all the same  
To win themselves e(x)ternal fame.  
For it was their Homecoming float  
That won (what fun!)-how they did gloat.  
To give their Dogpatch girls a chance,  
They gave a Sadie Hawkins Dance.  
To buy some bikes for Chavikali,  
They brought the movie "Gigi," Gee!  
The Gold Rush during winter break,  
The water fight (a muddy lake)—  
Such things we saw them undertake.  
The Sophomore-SENIOR picnic lunch  
(They made us charcoal steaks to munch.)  
Was certainly by far the most  
Important thing of which they boast.  
These sophomores; now they're halfway through;  
Are half as good as '62.

Couples go round and round and up and down at the second term twist party which was sponsored jointly by the Junior and the Senior Classes.

## *Juniors are victorious at Earlham song-fest*

These spirited St. Louisites,  
Not winning the Homecoming flights,  
Their pride were able to regain  
By putting on display their plane  
Where it could neither fly nor fall  
In Richmond's fine museum hall.  
But with the help of maestro Paul  
They had the impolitic gall  
To beat our class and all the rest  
In Earlham's little sing-song fest.  
The sophomores came in second best,  
But if we have another chance  
To present our song and dance  
We hereby give our Quaker oath  
(shot from puns) to beat them both!  
By now these juniors have begun  
Their final year of Earlham Jun.  
Since they will take our place this year  
We SENIORS wish them now and here  
The best of luck. The shoes  
They have to fill are huge.

One of the most anticipated events before graduation day is the Faculty-Senior Picnic.

## *Seniors graduate on the Tenth of June*

We think that we shall never see  
A class more lovable than we.  
In everything we have surpassed  
The rest—we have them all outclassed.  
Our men are handsome, neat, and strong,  
Intelligent and seldom wrong;  
Our women, shapely, soft and warm,  
But staunch and firm through any storm.  
Can beauty contests win on sight,  
Or any knitting needle light.  
Some people called our float a flop  
But it got our year off with a pop  
If not a bang; but we don't care,  
We'd had as freshmen our full share.  
Our twisty dance, without a slip  
Or shattered knee or broken hip  
Was carried out with craftsmanship.  
The "Faith to Live By" talks were made  
By lively man and faithful maid.

We staked our claim and claimed our steak  
At the Senior Picnic by the lake.  
Grad records, comps, for most concerned  
Were quickly passed, with honors earned  
By some of our more learned chaps  
Who'll go through life in mortar caps.  
Our senior speaker, Barbara Ward,  
Then sent us to our last reward:  
In cap and gown, in happy fright,  
Remembering every depth and height  
Of our now ended college years . . .  
Who but the men could hold back tears?  
Just when we thought that we were done  
And our diplomas had been won,  
It seems we had commenced (begun),  
Each one of us our mater's son.  
Now to a higher life we pass,  
A lovable and upper class.

## In Memoriam

Darrell Burns

*Sports,  
Recreation*

## *Football team has best*

The 1961 football season was remarkable in many respects. Jerry Huntsman, the new head coach, did an outstanding job with the help of his assistant coaches, Ray Mitrione and Stanley Hall. The team recorded the best effort ever on defense with a third-place rating in the nation for the entire season in the small college NAIA report. Earlham broke its own record for the most points ever scored in one season and had the highest point total of all the collegiate teams in Indiana this year.

The season began well as Earlham opened against Principia College. However, for the amount of yardage gained in the victory, the score was low. The team traveled to Taylor in good spirits, but once they got there, they faced a high wind and a strong defensive line. Although the team played well, they remained inside their own twenty yard line during the second quarter because of the wind. Taylor scored three touchdowns that quarter. The Quakers dominated play the second half and scored, but the team's efforts were not sufficient.

After the loss to Taylor, team spirits picked up. The Quakers went on to defeat Elmhurst. Facing a strong Franklin squad, they came from behind to win. At Homecoming the Earlham squad defeated Manchester. Next the team played Rose Poly in what proved to be a spectacular game. The Earlham team

Row 1: Jerry Dusseau, Jack Waymire, Ron Morgan, Greg Zuck.  
Row 2: Rick Carter, Jim Fricke, Andy Puterbaugh, Steve Boyce.  
Row 3: Tom Eidemiller, Bob Schollenberger, Steve Ronald, Orrin Rugen. Row 4: Dick Harpold, Tom Lutter, Paul Whitney, Jeff Ford. Row 5: Doug Williams, Jim Gessaman, Dave Lower, Taylor Jones. Row 6: George Bibler, Tom Bennett, Bill Langley, Mush Mamuka. Row 7: Walter Bosse, Tom Roser, Ron Raitt, Bill Walker. Row 8: Dave Hollander, Ralph Andrew, Harvey Reed, Jeff Gritzmacher. Row 9: Bill Phillips, Don Simkin, Jim Gross, Joe Boone. Row 10: Gil Howell, trainer; Ray Mitrione, coach; Stanley Hall, coach; Jerry Huntsman, head coach.

## *season since 1925*

won 80-0. Furthermore, the team never punted and scored three times without an offensive play. The first string saw action only in the first quarter. After the second team had scored forty-seven points, the third team took over to play the entire second half.

After the victory over Rose Poly, the squad defeated a strong Wilmington team at their own Homecoming. Indiana Central was next on Earlham's schedule. Underdogs, according to the newspapers, the Quakers nevertheless out-played Indiana Central. Thus, the team ended the season with a record of seven victories and one defeat.

Next year's team will miss the services of the ten seniors who served as a nucleus for the team. These seniors are Mush Mamula, Taylor Jones, Greg Zuck, Dave Lower, Jim Gessaman, Bill Phillips, Doug Williams, Ron Morgan, Joe Boone, and Jerry Stauffer. However, Rick Carter, who did an outstanding job as quarterback in his first collegiate season, as well as others, will return for the coming season.

Ron Morgan, leading ground gained for Earlham, is shown about to break away for another long gain in what proved to be a win

Discussion demonstrates team work. Here coach Huntsman, Jerry Stauffer, and Ron Morgan settle difficulties

Key fakes such as this one by the Earlham backfield upsets the balance of the defense.

Senior Bill Phillips, high scorer, reviews strategy in locker room before his last game.

#### *Team record*

Earlham	16	Principia	14
Earlham	7	Taylor	21
Earlham	53	Elmhurst	0
Earlham	34	Franklin	32
Earlham	39	Manchester	14
Earlham	80	Rose Poly	0
Earlham	26	Wilmington	0
Earlham	16	Indiana Cen.	0

Fullback Jerry Stauffer, driving through defending opponents, illustrates Earlham's offensive power.

Bill Beardsley, after an exhausting soccer game, almost collapses. He had also run cross country and had come in fourth.

Dennis Hinkle is in the lead on the four mile cross country track.

## *Miss perfect season by 12*

Coached by Jerry Rushton, the cross country team missed a perfect season by a total of twelve points.

The team started out the season with a loss to Taylor, but they made their revenge by beating Taylor twice before the season ended. An easy win over Anderson followed the Taylor defeat. Next came the crucial victory over the University of Illinois. The team had a difficult time staying in front of their opponents, but the team's conditioning and depth resulted in the victory. Franklin proved to be an easy win for Earlham.

The Earlham Invitational with five major teams competing was a highlight of the season. Earlham placed second behind Indiana Central. Bill Beardsley took a third place and Dennis Hinkle a fifth. The best meet of the year was run against Indiana Central, the Hoosier Conference champions. Earlham lost by one point but once again proved its depth.

Row 1: Dennis Hinkle, Nat White. Row 2: Bob Warner, Dick Zink. Row 3: Jim Kimple, Butch Jefferies. Row 4: John Millikan, Bob Graham. Row 5: Jerry Rushton, coach. Not PICTURED: Terry Marsh, Dave Mechlerly, Bill Hickman, Cam Gifford, assistant coach.

Row 1: Lee Kenworthy, Lauren DeCou, Bill Bakke. Row 2: John Guthrie, Dick Rice, Tom Kirk. Row 3: Griffin Mtegha, Dave MacInnes, Bert Bacon. Row 4: John Gates, Jim Hall, William Baker. Row 5: Tony DeCou, John Snow, Tom Stowe. Row 6: Charles Weston, Bill Beardsley, Os Gresson. Row 7: Bill Dockhorn, Leonard Cadwallader, David Denslow. Row 8: Proctor Lippincott, Chris Huus, Tom Smith. Row 9: Ed Houghton, Tim Hecht, Jim Gamble, manager. Row 10: Charles Matlack, head coach. Not pictured: Paul Bigelow, assistant coach.

## *Guthrie named All-American*

The soccer team saw an improvement over the preceding season with five wins, two ties, and three losses. The most outstanding game was the victory over Wheaton College. This was the first time Earlham defeated Wheaton at Wheaton, and it was their Homecoming game. The Conference record was good also: Earlham won over IU and Purdue, tied Ball State and Indiana Tech, and lost only to Michigan.

Outstanding player John Guthrie was named All-American at the end of the season. The All-Conference team included John Guthrie and Joe Haines, while Bill Beardsley and Tony DeCou joined the two on the All-Midwest team. These award recipients were honored during the annual banquet at the smorgasbord in Hagerstown.

Graduation meant the loss of Captain Lauren DeCou, Wilson Baker, John Gates, and Dick Rice. The soccer team was coached by Charles Matlack, who was assisted by Paul Bigelow.

Bill Bakke, goalie, weighs the possibilities of defensive strategy.

In a break toward the outside, left wing John Cates displays his speed and ability as he outmaneuvers a Michigan State opponent.

### *Team record*

Earlham	0	Michigan	7
Earlham	3	Dayton	2
Earlham	9	Indiana U.	2
Earlham	4	Wheaton	2
Earlham	7	Purdue	0
Earlham	4	Calvin	2
Earlham	2	Ball State	2
Earlham	3	Wilmington	3
Earlham	1	Indiana Tech	1
Earlham	0	Oberlin	3

Coach Matlack has a few encouraging words and reminders for the soccer team in the locker room before the game.

Left halfback Bill Beardsley battles Michigan State's high scorer, Rab Ventura. Earlham's offense proved unequal to Michigan's ball handling as she was handed her first defeat of the season.

The second year of varsity wrestling saw outstanding meets. Earlham won at Manchester, 18-13, and also defeated the Miami freshmen. Another feather in the team's cap was defeating the Richmond YMCA twice.

Letters were awarded to Rick Kuo (123), George Thomas (130), Captain Al Price (137), Don MacLeod (147), and Tony Clark (157). Bill Smith (167), and heavyweight Dave Hollander.

Under coach Grimsley Hobbs, assisted by student manager Bill Bakke, the team showed much improvement over last season. Losing only two seniors, Andy Merritt and Dan Burke, the prospects for an even better record next year are very good.

While Coach Hobbs looks on during a practice session, Al Price, the wrestler in back, has a good hold on George Thomas.

## *Earlham beats Manchester*

Row 1 - Andy Merritt, Al Price, Rick Kuo. Row 2 - Bill Bakke, manager, Tony Clark, Don MacLeod, George Thomas, Grimsley Hobbs, Head Coach. Row 3 - Bill Smith, Dan Burke, Dave Hollander

Al Price and opponent, breaking from referee, start the match to see who is the smarter, faster, and stronger.

# Volleyball improves

This year represented a brightened, though not yet brilliant season for Earlham's varsity volleyball squad, coached by Jack Bailey. The formation of the long-planned Midwestern Conference established an improved series of inter-collegiate tournaments at Ball State, Earlham, Michigan State, George Williams, and Wittenberg. Additional teams from many other schools competed.

The Earlham squad entered the season with high prospects, having five returning starters as well as several promising first-year men. The team finished the season with a highly creditable record. The high point of the year was the Conference Tournament at Chicago, where Earlham College won the third-place trophy and defeated the champions from George Williams in one match. Tom Gottschalk, who led the Quaker spiking attack all season, made the Second All-Conference Team, and Captain Bill Baumgartner received honorable mention.

Row 1: Mike Wilson, Harvey Reed, Jackson Bailey, head coach.  
Row 2: Al Stephens, Bill Baumgartner, Dave Boettiger.  
Row 3: George Bibler, Bill Kraybill, Proctor Lippincott.  
Row 4: David Woolpert, Tom Gottschalk, Don McNemar.

Bill Kraybill and Captain Bill Baumgartner leap up to block a spike in the game against Lansing Community College.

As the position of the ball indicates, Dave Woolpert has completed a successful block of his opponent's spike in the match.

Stealing the ball from an opponent, John Gates sparks the team early in the season with a fine performance for the win.

Bob Fox, one of the many freshmen who helped the team this year, drives past an unwary opponent in a close game.

Bill Baker comes down with the ball to help Earlham defeat Wilmington. Baker led the team in rebounds with eighteen in one game.

## *Basketball team slumps*

A bad mid-season slump contributed to the basketball team's disappointing year. However, many fine performances by freshmen and other individuals proved that the team has potential.

Coached by Thurman Wright, the team opened its season with the City of Richmond Tournament where Earlham defeated Manchester in the first game but lost in the finals to Taylor, placing second in the tournament. Earlham ended third in the Indiana Central Tournament at Indianapolis, then lost the Kalamazoo, Michigan, tourney. Out of the next eight games, their only win was the victory over Rose Poly in which Daryl Renschler scored thirty points.

Earlham came out of the slump to show well in the last five games. A fine victory against Franklin College featured Jim Hotopp's 34-point total, the high for the season.

Next year's team should show improvement with many able freshmen expected, and with all lettermen returning except senior Ed Bryan.

Earlham's gymnasts form a human star during the basketball half time. Tumbling and trampoline exhibition were included in the program for this game.

Row 1: Ed Bryan, Bob Fox, John Cates, Neil Wissman. Row 2: Cliff Dummett, Jim Clark, Jim Hostopp, Bill Baker, Jerry Huntsman, assistant coach. Row 3: Thurman Wright, head coach, Daryl Renschler, Jim Stenke, Hobert Pence, Mike Hooker. Row 4: Tom Kirk, manager, John Tomscheck, Tom Gordon, Herb Bonkowsky, Ron August, manager.

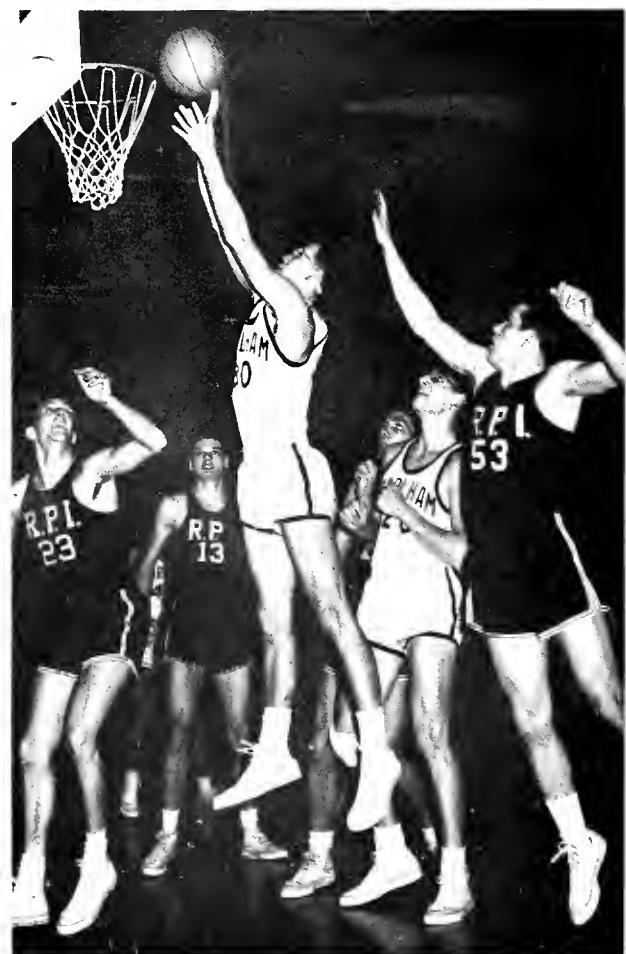

Daryl Renschler demonstrates part of the reason for his high scoring. His accuracy was good and his shots were numerous.

Faculty members concentrate on intricacies of basketball. The whole community had a common cause in rooting for victory.

### *Team record*

Earlham	58	Manchester	55
Earlham	52	Taylor	72
Earlham	65	Capitol	64
Earlham	72	Findley	71
Earlham	78	William Penn	87
Earlham	81	Marion	51
Earlham	58	Kalamazoo	63
Earlham	46	Albion	75
Earlham	71	Indiana Cent.	103
Earlham	75	Manchester	77
Earlham	109	Rose Poly	81
Earlham	60	Centre College	73
Earlham	52	Ball State	93
Earlham	62	Oakland City	72
Earlham	75	Wilmington	80
Earlham	81	Franklin	81
Earlham	76	Wilmington	66
Earlham	85	Anderson	89
Earlham	75	Marion	74
Earlham	72	Goshen	71

Bill Baker drives through the Rose Poly defense to make this fine shot in what proved to be an easy victory for Earlham.

## *Baseball team gains experience*

The Earlham baseball team, coached by Thurman Wright, had a difficult season with five wins and ten losses. The loss to Indiana Central was caused by poor fielding and many errors. Earlham's lack of starting pitchers was demonstrated in the game with Central Michigan. In the Millikan game the team had difficulty combining good hitting with defensive pitching and teamwork.

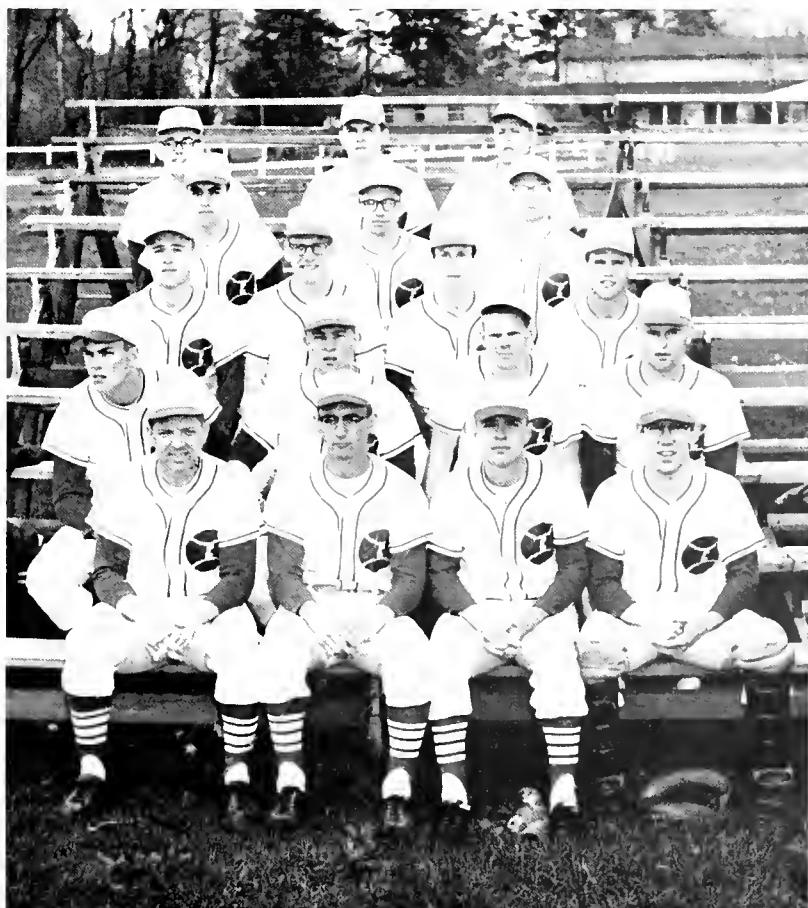

Coach Wright tried many combinations of nine men in an attempt to get a squad which would work well together. He partially succeeded in that the team won five out of the last eight games and three out of the last four. The last game, with Franklin, proved to be the highlight of the season. Earlham broke loose to gather more runs than at any other time.

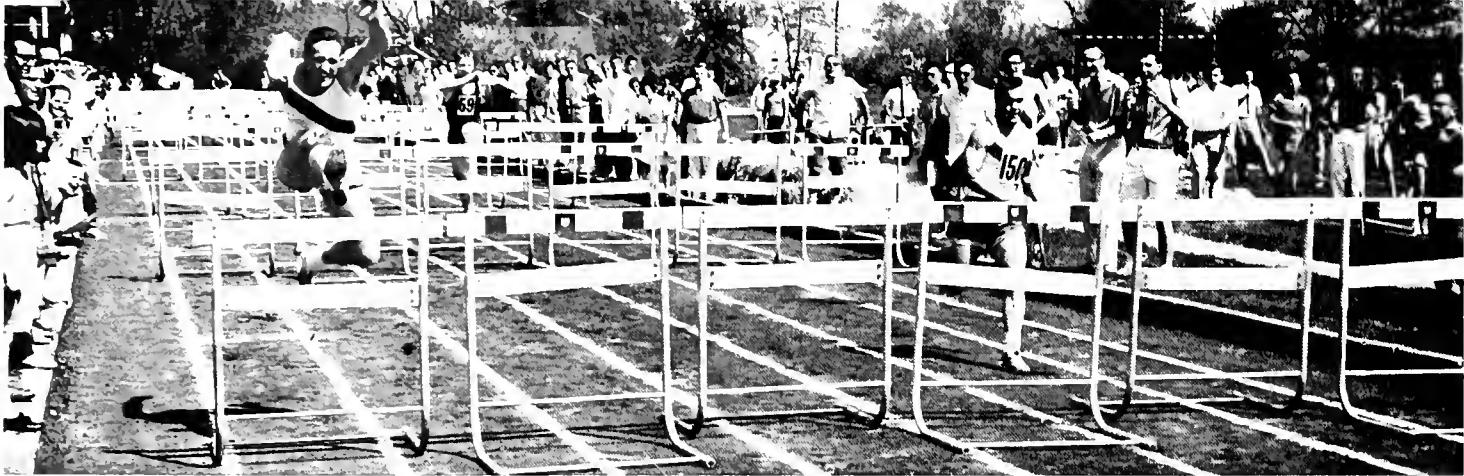

The leading batter was Dave Lower, batting over .400, and Rick Carter was second in the small college NAIA ratings with six triples.

Row 1: Thurman Wright, head coach, Dave Lower, Ed Bryan, Bill Bakke. Row 2: Dave Ferguson, Tom Lattner, John Gates, Dale Hodson. Row 3: Rick Carter, Herb Bonkowsky, Jon Meher, John Snow. Row 4: Daryl Rendtler, Steve Boyce, Dick Harpold. Row 5: Blair Leighton, Steve Ronald, John Minner.

One of Earlham's top pitchers this baseball season, Herb Bonkowsky demonstrates his speed and control to his opponent.

Joe Boone wins the shuttle relay over the high hurdles, one of the more unusual track events; Joe Boone, Bob Berg, and Tom Hall each ran 120 yards, tagged his teammate, and ran back in the opposite direction to finish the relay and gain a victory.

## *Team wins Spring Relays*

The track team was improved over last year and on the whole fared better in total team effort, and in team record as well. They started the season with an easy win over Taylor. After this, they participated in the Wabash Relays. The hotly contested battle with Indiana Central came next. Dirt flew, lines were marred and sawdust scrambled, but the meet still ended in a 68-68 tie. When Earlham won the Earlham Spring Relays with a point total 28 higher than its nearest competitor, the home crowd was properly enthusiastic.

The Big State Meet came shortly after the Earlham Spring Relays. The men showed well individually. Dennis Hinkle took a third in the two mile run, Bert Bacon a third in the mile run, John Millikan a fourth in the 880, and Tom Roser a fifth in the discus. Following this, Earlham participated in the Little State Meet. To add meets to more meets, Earlham College had its fourth in eleven days with Indiana State and St. Joseph. This tri-meet ended the season for the cinder-men with a very narrow defeat.

Captain Tom Hall won the most points for the season, 61 1/4, and the Tom Marvel Award for outstanding achievement and team contribution. Among the records broken was the mile record by Bert Bacon and the shot put record by Bill Walker.

John Millikan and Paul Whitney of the mile relay team are in the process of a baton pass. This difficult "blind handoff" helped the cinder-men win many relays and meets this year, including this one.

Clearing the bar in fine form, Bill Phillips also twice won high jumping before he was disabled later in the track season.

Row 1: John Cline, Tom Rose, Joe Boone, Bill Phillips, Jerry Stauffer  
Row 2: John Whitsell, Pete Vance, Bob Berg, Tom Fidemiller, Jeff Gritzner.  
Row 3: Jim Kimple, Paul Whitney, Chuck Whitworth, Dick Zink, Mike Hooker.  
Row 4: George Coghill, John Foster, Rod Smith, Tom Hall, Bill Walker.  
Row 5: Bert Bacon, Jack Waymire, Bob Graham, Brian Lloyd, John Millikan.  
Row 6: Ron Morgan, Neal Borman, Bill Wells, Walter Bosse, Bill Beardsley.  
Row 7: Jerry Dusseau, Jim Steinke, Ed Bryan, Dennis Hinkle.  
Row 8: Jon Branstrator, Jim Williams, Jerry Rushton, head coach.

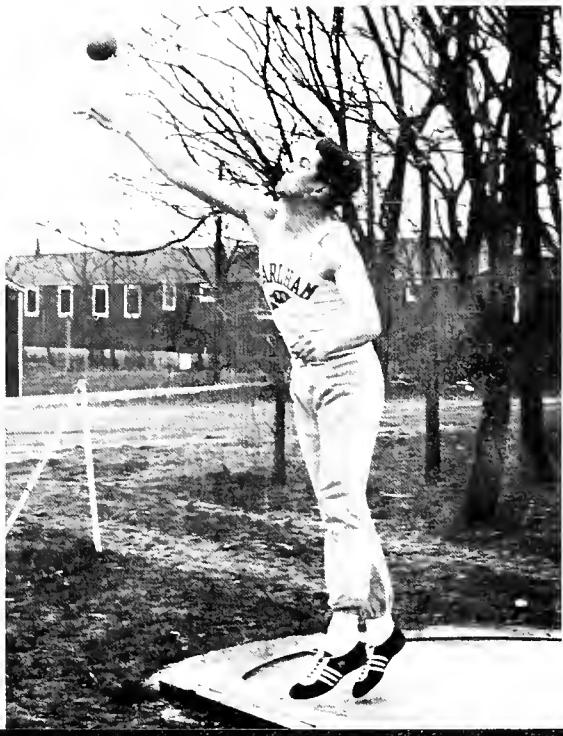

Dennis Hinkle, who came close to breaking Earlham's two mile record, defeats an Indiana Central opponent

Bill Wells participated successfully both in the broad jump, shown here, and in the pole vault, thus making him a dual threat.

John Foster puts the shot to help Earlham gain points.

John Chiles, Bob Toth, Brent Carroll, Larry Overman, Ron Banta, Stanley Hall  
head coach.

## *Golf team has 4-6 record*

Earlham's golf team, coached by Stanley Hall, had a fairly good record this season. Individuals made fine performances throughout the schedule, and the team emerged with a 4 and 6 record. Dayton proved difficult, as did Hanover. Both losses hurt the team's morale.

Captain Bob Toth, a senior, was the year's most prominent winner. An inspiration to the team, he made an excellent showing at the Little State match where Earlham finished in the upper half.

Next year the team loses Bob Toth, a blow that will hurt until new recruits are found. John Chiles, a freshman, proved to be a promising player in his first collegiate season.

### *Team record*

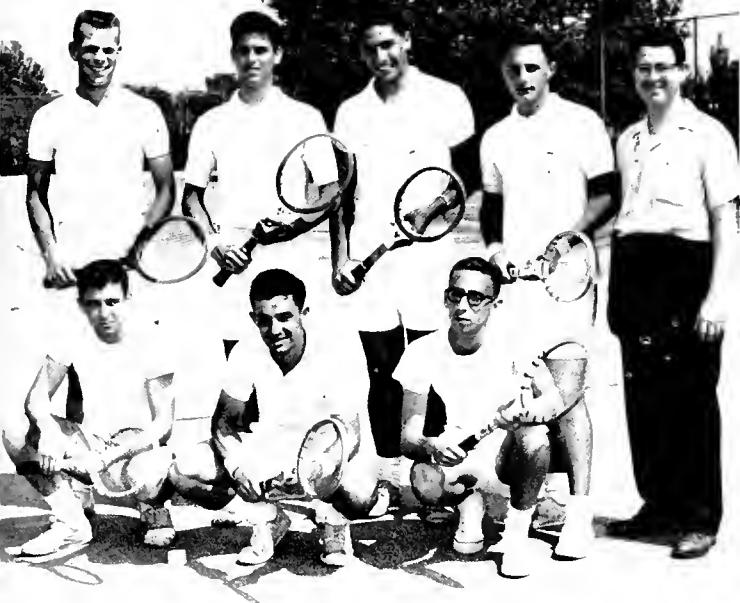

Earlham	11	Anderson	.....	3½
Earlham	31½	Wabash	.....	11½
Earlham	12	Marion	.....	3
Earlham	26½	Taylor	.....	11
		Vincennes Univ.	.....	7½

Earlham	6½	Dayton	.....	11½
Earlham	9½	Hanover	.....	11½

Senior Bob Toth comes through with a fine iron shot.

Brent Carroll puts while his teammate Bob Toth holds the flag.

Row 1: Mark Trumbo, Dick Berke, Dave Matthews. Row 2: Norm Herbert, Dick Rice, John Dintenfass, Tom Weingest, Orville Johnson, head coach.

Utilizing his strong serve, Dick Rice takes a game from his opponent in Earlham's victorious match with Goshen College.

## *Tennis team beats Ball State*

Coached by Orville Johnson, the Earlham tennis team emerged from its season with a 6 and 2 record. Their showing proved to be one of the finest in years.

The Ball State game was the highlight of the season. All eight netters were at their peak for this match and proved it by beating Ball State for the first time since Earlham re-entered the conference.

All through the spring minor injuries plagued individuals, but with consistent effort, the team continued winning. The team was also hampered because Earlham has only four courts, which makes practice difficult for more than eight men. Next year offers the hope of additional courts which will help the netters.

The 1963 team will lose the services of two seniors, Dick Rice and John Dintenfass. With six returning returnees, however, the outlook for a fine season next year is good.

Tom Weingest, with his doubles partner Norm Herbert looking on, makes a smashing return in match

### *Team record*

Earlham	.....7	Marion	.....1
Earlham	.....8	Hanover	.....1
Earlham	.....0	Miami	.....9

Monte Bernstein of Second South Bundy shoots past Wendell Morter of Third South Bundy in intramural basketball game.

Jim Kimple pitches softball. Teams played on front and back campus according to American or National League in spring.

Gordon Ham of the Campus Village Alley Gats scores two points against First North Bundy with a good drive to the basket.

## *Many compete in intramurals*

Many non-varsity athletes participated in the fine Earlham intramural program directed by Jerry Rushton and his staff of students. The intramural season opened with football. The championship was won by the Bundy Basement "Cavemen" in a tough season. Meanwhile Bart Jeltery beat Dave Matthews in the finals to take the intramural tennis championship.

During the winter season, the basketball program went into swing. Twenty teams competed. The Campus Village "Falcons" won the trophy from the First North Barrett "Rats". At the same time intramural badminton and handball provided good recreation for those individuals who wanted to try their skill at these sports. John Snow won the singles badminton title. Arnie Wexler won the handball singles while Paul Friedlander and Tim Hecht won the doubles.

In early spring the gym was filled with the noise of volleyball enthusiasts. In the final tournament of the volleyball season the Third North Bundy "Net Hangers", led by the fine performance of Lew Fikes, won the championship. After this, Earlham held its first intramural track meet in which First Floor Barrett and Barrett Basement were triumphant.

The championship for the final sport of the season, softball, was won by the "One Eyed Jacks" of Second North Bundy.

Intramural football is a bit tough at times! The Bundy Basement "Cavemen" win the game for the intramural championship.

Girls play intramural volleyball during second term.

## Program under WRA

The women's intramurals program is under the jurisdiction of the Women's Recreation Association. A program for each sport is set up as the manager for that particular sport feels will best facilitate participation. The women's athletic department cooperates by furnishing facilities and equipment for the contests. The sports which were featured in the intramurals program this year were hockey, volleyball, basketball, and tennis.

The hockey intramurals were organized on a class basis this year, with each class playing the other three classes. The freshman class came out as the victors. Each class also had a basketball team.

Volleyball was the big winter sport. The intramurals were set up with individual halls having teams and playing all the other halls entered in the league. Third North OA took the trophy which was then displayed in the women's recreation lounge.

Tennis enthusiasts came out on an individual basis to challenge their schoolmates in the spring, ending the year's program of women's intramurals.

Row 1: Janet Cooper, Nancy Bourke. Row 2: Miriam Marecek, Lucy Feichter. Row 3: Carol Perry, Kitty Hurney, Gale Lawrence, Cathy Feltz, Irene Kaye.

The girls' basketball team has practice game

At the practice session of the varsity hockey squad, Mary Taylor demonstrates proper tackling.

## *Hockey team sends four to National Tournament*

Mary Hull attempts to steal the ball from Wittenberg opponent in the Miami Valley Field Hockey Tournament at Earlham.

Coached by Mary Taylor, the 1961 hockey team had one of its most successful seasons. Despite senior Barb Robert's injury, the team, captained by Barb Berry, performed well, scoring 47 goals against opponents' 6, and winding up with a 7-2 record. After defeating seven college teams, the team was finally halted in two off-the-record games, one against the Earlham soccer team (0-2) and the other against Mary Taylor's Dayton Club (0-1).

The season was climaxed when eleven Earlham players were selected to participate in the regional competition at Cleveland. Later Ginny Hubbs, Franey Swan and Mary Taylor, playing for Great Lakes II, and Barb Schnell playing for Great Lakes I, traveled to Long Island, New York, to participate in the National Tournament.

At the fall hockey banquet, seniors Barb Berry and Barb Roberts were both awarded the Comstock Trophy on the basis of their hockey ability, sportsmanship, and contribution to the hockey team.

Ginny Hubbs dribbles around her Wittenberg opponent, Lynn Mowry. Her action illustrates Earlham's fine play which led to the 6-0 victory in this game.

Ginny Hubbs, Mary Taylor, Frances Swan, and Barb Schnell anticipate playing in the National U.S. Field Hockey Association Tournament.

### *Team record*

Earlham	6	Western	3
Earlham	5	Ohio Wesleyan	0
Earlham	14	Ball State	0
Earlham	6	Wittenberg	0

In the trial play of the Miami Valley Field Hockey Tournament, right wing, Jane Braxton, skillfully outmaneuvers her Ball State opponent to aid team.

Row 1: Carol King, Mary Henderson, Ginny Hubbs, Frances Swan, Barb Schnell, Mary Taylor, coach. Row 2: Mary Hull, Judy Burkham, Betsey Gray, Barb Berry, Cathy Felter, Jane Braxton.

Priscilla Lamb sits regally astride the horse on which she won a first-place ribbon in her division of the 32nd annual Horse Show.

## *Pat Livezey wins first place in Horse Show*

On the hot and dusty Saturday afternoon of May 19, 1962, the thirty-second annual Earlham College Horse Show was held in the ring behind the Meetinghouse. It was sponsored jointly by the Earlham College Riding Club and the Riding Department. Eric Curtic acted as ring master.

In addition to the thirty-five Earlham students who participated in the show, local equestrians and exhibitors from Ball State, Miami University, and Western College for Women competed in the various divisions.

The first place in the Inter-Collegiate competition was earned by Pat Livezey of Earlham. First-place winners of the Earlham classes included Marg Shields, Priscilla Lamb, Janice Hoock, Nan Daubenspeck, and Diana Holman. Earlham equestrians also placed in several of the open classes.

Eric Curtic, the sponsor of the Riding Club, serves as the ring master for the annual Earlham College Horse Show.

Susan Williams and her escort Dave Boone enjoy punch and cookies at the WRA-sponsored "Mood Indigo" dance held in February.

Earlham's women, checking the sign urging them to vote for WRA officers, leave ballots with Melissa Blackburn in spring election.

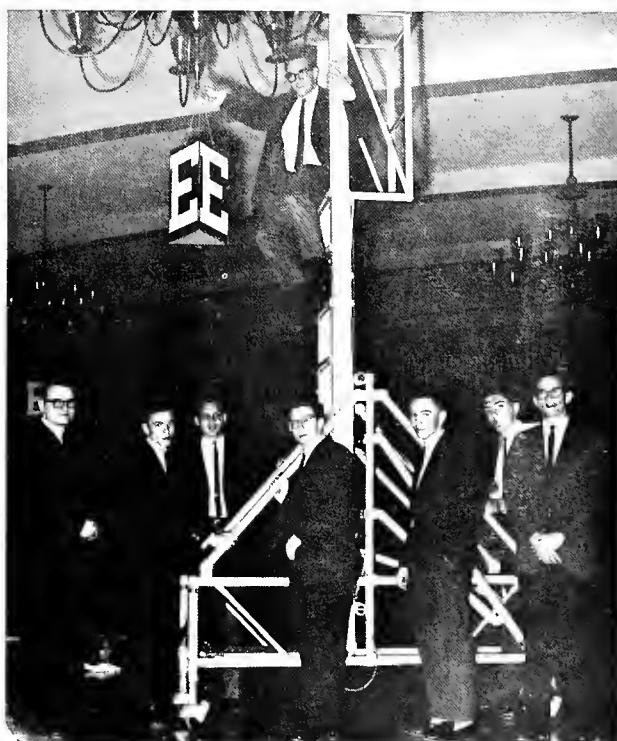

## *E-Men and WRA are active*

A group of men who have earned at least one varsity letter in athletics, the E-Men, took an active part in campus affairs this year. They sold cokes at home basketball games, ushered at athletic events, and sponsored a dance for the community at large. In the spring the members had a "Strawberry Social."

Awards that the group presented included the George Van Dyke Award given to Bill Phillips for his outstanding contribution and leadership in football. Seniors Jerry Stauffer, Mush Mamula, Bill Phillips, and Lauren DeCou earned E-Men's blankets for their outstanding achievements.

The WRA, Women's Recreation Association of Earlham College, planned and promoted physical, recreational, and social activities for girls under the auspices of the WRA Board. The twelve members were advised by Mary Taylor and Bud Weber.

In addition to sponsoring activities for girls, the WRA planned and helped with All-College Activities. These included a trampoline party, the sale of a softball game to several boys through Campus Chest, the Valentine girl-invite dance, a skating party, and the All-College Song Fest.

Earlham's E-Men, out of their athletic attire, make preparation for the dance which they held second term in dining room.

*Activities,  
Organizations*

Row 1: Hobert Price, Jim Robson, Ellen Pardee, Jim Pence, Sue Porter, Tom Price, Lynn Signorino. Row 2: Rebecca Briff, Chuck Cell, Tom Martin, Larry Antonson, Mike Kendall, Norm Herbert, Tom Fisher, Bob Welker. Row 4: Bey Brethner, Jay Simsarian, Thomas Rees, Thomas Smith, Phillip Smith, Mary Hull, Herb Bonkowsky, Margaret Beidler, Eric Curtis.

## *Earlham Senate creates SPAC, SAB*

A typical session of the 1961-62 Earlham College Senate contained agreements, disagreements, discussions of U.S.N.S.A., budgets, and moments of silence. The Executive Committee remained friendly, had picnics, decided agendas, and ruled on Honor Code violations. The Senate denied itself "off-campus" political power, deciding to concentrate on "caring for its own house." However, it did create the Student Political Affairs Committee to promote interest in and discussion of important political issues. Activities were still a thorn in Senate's side, and it was decided that the community would benefit from a new and independent Senate Activities Board. Delegates were sent from the Senate to the National Student Association Congress for the first time. The NSA Regional Conference was held at Earlham in the spring, but results of the meetings were so discouraging that Earlham decided to withdraw from NSA. The last major undertaking of the year was an examination of Convocation attendance which resulted in a proposal to place this under a "responsibility" system.

The Earlham delegation wholly present and on time—sits in on the somewhat less than stimulating, major meeting of the spring NSA Regional Conference held in Goddard Auditorium.

Row 1: Kay Edstene, vice president; Tom Gottschalk, president; Mary Hull, secretary. Row 2: Phill Smith, treasurer; Steve Bove, nominations committee chairman; Sandy Groves, publicity and records committee chairman.

The secret is out! This is what Senate Executive Committee really does at those serious meetings.

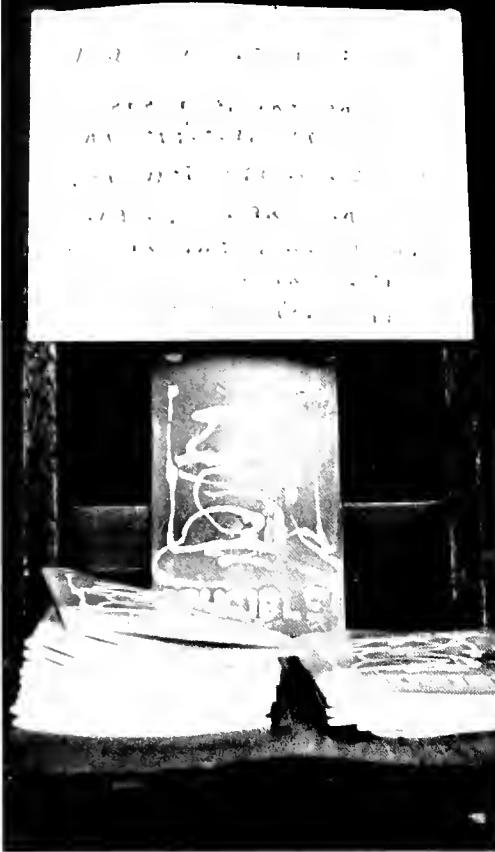

Secretary Pam Voth reviews the minutes of the previous CCB meeting with junior members Bob Vieweg and chairman Dwight Juliani before the other members arrive for the session.

## *CCB is a forum for various media*

The CCB, Central Communications Board, provided a sort of town meeting for the heads of communication media and for their advisors, Undine Dunn, Warren Kliwer, and John Sweitzer. At evening meetings the members discussed new developments in the area of communication such as those which may come out of the Great Lakes Colleges Association. Sometimes budgets were the main topics around the table. At other times

members expressed their problems or presented plans for their media. The CCB investigated new ideas put forth by its members and voiced either its approval or disapproval. After the arrangements for FM for WVOE were completed, board members felt their support of this project had helped realize its fulfillment. Business for next year may include a revision of the salary scale for members.

Third-term issues of *Crucible* are displayed in the lobby of Carpenter to attract campus Day Dodgers.

## Variety in *Crucible*

Dear Pete,

Just read your latest *Crucible*. Everybody is. Girls carry copies in their handbags, and the striking red cover sticks out of all the boys' pockets. Everybody loves *Crucible*.

Why is this so? Because it is the number-one literary publication on campus? Because it is a rich collection of poignant pictures, poignant poetry, and poignant prose? Because it offers aspiring artists helpful criticism? Because the *Crucible* is the epitome of Earlham's artistic achievement?

No. Everybody loves *Crucible* because of its handsome editor.

Your friend,  
Anne

*Crucible* editor, Pete Beidler, Nancy Emmons, and Kathleen Zambelli meet for tutorial in Pete's "garage" behind Beidler House.

## Papers used in *Prism*

Dear Pat,

Just read your latest *Prism*. Everybody is. Girls carry copies with their books and the soft yellow covers stick out of all the boys' pockets. Everybody loves *Prism*.

Why is this so? Because it is the number-one scholarly journal on campus? Because it is a collection of articles which interests students in both the humanities and the sciences? Because the contents are stimulating? Because *Prism* is the epitome of Earlham's scholarly achievement?

No. Everybody loves *Prism* because of its charming editor.

Your friend,  
Earl

*Prism* editor Pat Mueller and board members, Dick Zink, Chris Clausen, Sue Schroeder, and Linda Reed, hold tutorial in spring.

Those Tuesday nights were hectic! Third-term editor Jerry Edgerton listens in on story being taken down by David Denslow while Paul Kern looks on in the bustling and littered *Post-hole*, the *Post's* home.

## *Post covers campus news*

Dear Jerry,

Just read your latest *Earlham Post*. Everybody is. Girls carry copies in their handbags, and the black-and-white front page slips out of all the boys' pockets. Everybody loves *Post*.

Why is this so? Because it is the number-one news publication on campus? Because it is a complete collection of the pictures and stories of the week? Because the editorials are thought-provoking? Because it offers aspiring newspaper reporters valuable experience? Because *Post* is the epitome of Earlham's reporting achievement?

No. Everybody loves *Post* because of its skillful editor.

Your friend,

Dave

*Post* editor David Hackett finishes week's editorial on his pride and joy, a new pica typewriter bought in '61.

Circulation manager Tom Wenrick prepares the *Posts* for mailing on Friday afternoon for off-campus subscribers.

Co-editor Carol Sklenar examines final copy before it is sent to the printer in spring.

## Sargasso battle won

"Can't you sell Berg's an ad?"  
"I can't cut my section. Cut sports!"  
"We need a domestic relations counselor!"  
"What happened to the proof paper?"  
"Dinner meeting tomorrow, Dining Rooms C and D."  
"Be sure to get an action picture of the hockey team  
and one of Malik in Convocation, too."  
"What about a picture of Henry Margenau?"

Chief photographer Lindsay Haisley and assistant Bill McFarlane focus on baseball action. They effectively covered events during the year for *Sargasso* and *Post*.

"It'll fit into the theme."

"Oh, so we're back to that theme today!"

"I'll do it after mid-terms; I haven't got time now."

"Where's the proof of the soccer team?"

"I lost part of the Rolleicord!"

"Who's writing the copy for economics?"

"Is it spelled with an 'i' or an 'e'?"

"I wonder what the Yearly Meeting  
will think of that caption!"

"I'll print those pictures after final exams."

"No, I didn't have my hand over the lens!"

"Where the hell is the dummy?"

"When's the deadline?"

"Oh, no!"

"We made it!"

Co-editor Earl Swallow oversees the *Sargasso* booth at the Activities Fair held in fall.

Activities editor Kris Wright and photography editor Jeanne McCord check the final prints before they are mailed to the engraving company to have the plates made.

Al Coote, former station manager, and Wilbur Lander, current station manager, examine WVOE's present record collection in order to determine what should be purchased next year.

## *WVOE goes FM— burrab!*

A big year for WVOE . . . After much experimentation, a suitable AM system was installed . . . At last—a dream fulfilled—a radio station which could finally be received. This could mean only one thing—FM . . . So the big push was on. After a few preliminary thrusts at the administration, all to no avail, a new weapon was developed—Wilbur Linder. Did you think there were about 950 people on campus in 1961-62? You were wrong because Wilbur talked to at least 3000. Result—FM.

Experts indicated a better year ahead. "For FM we'll need a large staff." So, the staff increased from ten to twenty-four. Experts predicted that the staff hierarchy would change many times before settling down.

Highlights of the year: Football game from Wilmington live . . . Annual re-painting . . . Annual marathon—this time with something to talk about, like reception . . . WVOE sponsored dances . . . Dinner meetings—unfortunately the manager could never come because of commitments involving monetary gain . . . Occasional trips to Camp Addelbury, usually on bargain days, to obtain surplus equipment . . . Announcing and engineering classes . . . Hundreds of letters seeking programming opportunities . . . In short, all-out organization.

Chief engineer and business manager of WVOE, Ron Wickersham, works on the station's control board to make needed repairs.

Sports reporter for WVOE, Day Landry, broadcasts the Tri-State Track Meet from Reid Memorial Field, a live program.

## *Dramatics offers full year of productions*

Many people were involved with dramatics this year at Earlham. These included directors, stage managers, technical crews, play-goers, and reviewers. At times it seemed that the reviewers were the busiest of all since the assortment of dramatic productions called forth "raves" and "boos" from all sides. However, it was also apparent that students took a great deal of the responsibility in seeing to it that the productions were successful. This was especially necessary this year because part of the time Arthur Little was not available.

First of the year's offerings was Samuel Beckett's "Waiting for Godot." With the stage devoid of ornamentation and the play devoid of plot, there appeared a review devoid of meaningful comment. Regardless of the review, the play evoked interest, some enthusiastic and some derogatory.

Gilbert and Sullivan's "The Gondoliers" was presented next by the Earlham Chorus. It struck a note of gay and joyous response, a pleasant change from hours of studying.

Junior English major Al Price and biology professor Bill Stephenson rehearse respective roles in acting studio before performance

The expressions on the faces of Bill Stephenson, Vladimir, and Dan Weaver, Estragon, reflect the utter dejection they feel as human beings in "Waiting for Godot" in the first term.

Steven Crockett, Karen Littell, Darlene Kliewer, and Daniel Kelley sing one of the lilting melodies in the operetta, "The Gondoliers."

During the presentation of "The Gondoliers," Bob Warner adjusts the lights backstage for varied effects.

At the dress rehearsal of "The Gondoliers" Arthur Little gives final directions to members of the Chorus.

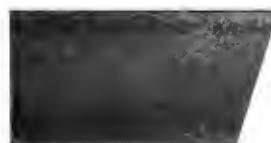

## *Women fill roles of second play*

"The House of Bernarda Alba," by Frederico Garcia Lorca, was the second play of the year. A combination of pathos and passion, it caused comments, both favor-

able and unfavorable. With all respect to reviewers, however, it was a noble effort in the field of contemporary drama.

Mother Bernarda, Joan Sakalas, and one of her daughters Adela, Penny Hartzell, clash in a scene from "The House of Bernarda Alba."

Mourners, Danna D'Esopo, Judy Nagel, and Rachel Billings, are live publicity for "Bernarda" at the evening meal.

Jackie Hand, portraying Angustias, pauses for a moment in her own "World of Black".

This scene from the comedy by Aristophanes, "The Birds," displays the handsomely detailed mask, designed and created by Roger Asay, and the colorful costumes which enhanced cast members.

## *"The Birds," two one-act plays end season*

Aristophanes' "The Birds" was neither contemporary nor tragic. But this comedy, superficial at first, laid bare some of the values which are still held to-day. This play was the third in the series presented by Mask and Mantle.

As a climax to the season, two one-act plays were presented, Warren Kliewer's "In the Suburbs of Nineveh" and "Teach Us How to Cry," directed by Joan Sakalas. The plays were well-received and hopefully were indications of more one-act plays to come.

Euelpides, Roger Gillim, and Pisthetaurus, Al Lohaus, plan the strategy they will use to beat back the attacking birds

Actors Paul Friedlander and Bill McFarlane ease tensions between the scenes of "The Birds" in educational manner

Members of Concert Choir make final preparations before leaving on their spring tour to the East.

Performing their spring concert in the Meetinghouse, the Earlham Chorus gives up the informality of outdoors because of rainy weather.

Larry Apgar gives proper pitch to the members of Earlham Chorus before beginning rehearsal at four o'clock.

"Daddy Len" checks up on the members of the Concert Choir while on their Christmas trip through the near Midwest.

Broadway star John Raitt and the Concert Choir join to present selections from "Carousel" at the first-term, SUC sponsored concert in the Fieldhouse

## *Raitt Concert, "The Gondoliers" are highlights*

Concert Choir, directed by Len Holvik, and Earlham Chorus, directed by Larry Apgar, ventured in new directions this year. In the fall Concert Choir collaborated with John Raitt to give a concert of show tunes. Both groups participated in a Convocation of Christmas music. During the vacation, the Choir toured Indiana

and Ohio. Second term the Choir went on its annual tour of the East. The Chorus gave a concert in the Meetinghouse. Both groups took part in the Oratorio Chorus. On the weekend of graduation the Concert Choir sang for seniors and their parents. The musical year was a fine one.

The entire oratorio chorus performs "I Allegro" by Handel in the spring.

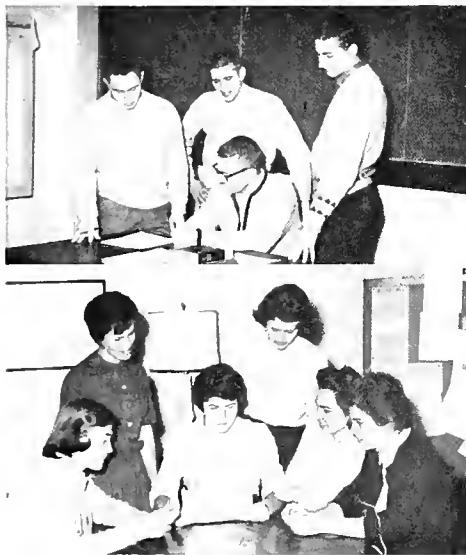

## *AMR in Village*

The Association of Men Residents faced a new problem this year because of the apartments for men students which were set up in Campus Village. An effort was made to treat them as a "little dorm," with a head resident and AMR representatives. Inadequate communication meant a breakdown in the effectiveness of this plan, however.

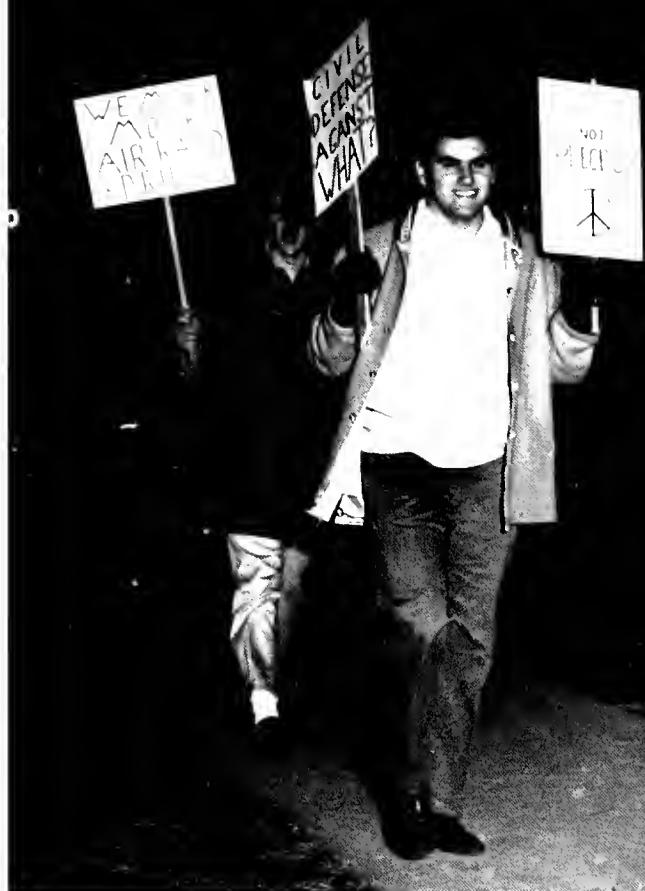

The "Bundy Bombshelter" opened its doors during the first term for dancing, folksinging, and refreshments, and was "picketed" by "pacifists" from Barrett Hall. The intramural program maintained a busy schedule of basketball, baseball, and other sports events. The presentation of a scholastic trophy each term gave encouragement to academic pursuits. The crowning touch came in the spring when the Bundy men, after a long wait, finally received their television set.

Row 1: Jerry Dusseau, Tom Fisher, president  
Row 2: Mark Thomas, Dave Woolpert.

Row 1: Jerry Dusseau, Tom Fisher, president,  
Row 2: Mark Thomas, Dave Woolpert.

President of AWS Betsey Gray and Dean of Women Margaret Beidler discuss the plans for the year 1961-1962 at the initial AWS banquet during first term in the dining room.

Adding to the atmosphere of the AMR open-house, Bob Seltz and Ron Raitt vigorously picket the "Bundy Bomb Shelter".

## *AWS talks rules*

The Association of Women Students gives all girls a chance to help determine the rules under which they live. During spring term they held lively discussions about "hours and pers," postponing any decisions about changes until fall.

A major project of this group every year is the Big and Little Sister Program, featuring a banquet in the fall to honor the freshmen and their upperclass "sisters." Open houses during first and second terms were replaced by refreshments in the game room on many third term weekend evenings. A chartered bus gave all students a chance to spend Saturday in Cincinnati during the mid-term break.

Baked goods, sold by Malinda McCain, Tony DeBlase, and Al Grocetti, are a Day-Dodger contribution at the yearly Activities Fair.

Richard Freedman's method of how to study and have a haircut at the same time—courtesy of Dave Figgins in Campus Village

## *Day Dodgers in lounge*

The Day Dodgers' major project was a "campaign" for a lounge area in Earlham Hall, which was used for studying, relaxation, Coffee Hours, and business meetings.

"The First Snow," featuring the first false ceiling in Earlham Hall, was followed by a party at the YMCA during the second term, and by the annual Spring Picnic at Whitewater State Park. Local prospective students were treated to "The Birds" and to refreshments afterwards in the Day Dodger Lounge. Bowling parties and a "mixer" on the tennis courts will be held this summer for all college students in the area.

## *New units expected soon*

As usual the word was that Campus Village would be torn down next year. Meanwhile, married students continued to enjoy the inexpensive on-campus housing.

Some of the units for a new Village in back of College Avenue should be finished next year. The one, two, and three bedroom apartments will be heated by electricity, a welcome change from oil burners.

Campus Village developed a split personality. Fifty-two boys lived in renovated apartments, decreasing the exclusiveness of the Village and bringing it closer to campus. The boys definitely livened things up for the married students!

Day Dodgers' president, Tony DeBlase, joins others at the newly instituted Wednesday morning Coffee Hour in Meeting house

Rett and Ann Zabriskie, during "le sine" hours in a Campus Village apartment, watch their son Bryan play.

Joan Baez, representing the first event sponsored by SAB, charms many at a song fest in back of Jones House during the spring.

A Commons special—a still life just waiting to be taken.

## *Transition from SUC to SAB*

Chairman of the newly formed Senate Activities Board, Mike Johnson, confers with Frank Short, advisor, and others, Bobbi Miles, Lindsay Harsley, Jack Waymire, Keith Miles, and Joan Daggy, at evening discussion in the Jones House living room.

An outstanding musical program gave to members of Concert Choir and SUC the exciting experience of working with John Raitt, famous musical comedy singing star, who donated his time and talents for the benefit of the fund raising drive for the proposed Student Union Building. A highlight of the Winter Festival, a concert by Julian "Cannonball" Adderly and his jazz quintet, was the final project of the Student Union Committee.

Ever playful Tom Martin engages in some spontaneous antics in Commons, a place for such fun and relaxation and frolic.

The main item of business on the agenda of the final meeting of the 1951-62 Senate was consideration and approval of a plan to consolidate control of activities in a stronger, semi-independent Activities Board. The first project of this new body was bringing the exciting young folk singer Joan Baez to campus for a concert.

Commons, always a center for bridge playing, cigarette smoke, and "anything goes," became famous for ice cream this year. A temperamental new machine dispersed "Quaker Cream," and an "all you can eat" party upheld the inequality of the sexes with its prices adjusted to appetites according to gender.

Representatives of various organizations join SAB members at a Roman-style banquet with candlelight in the side dining rooms.

An audience of almost as many "strangers" as Farhamites enjoys "Cannonball" Adderly and quintet playing jazz in winter term.

## *Many very active*

Michael Harrington, the fiery Socialist, talks with students in Commons the evening after his provocative Convocation. The Editor of *New America*, he spoke about America's poor in his morning address before the students in Goddard.

Political issues once again played an important role in stimulating campus-wide thought and discussion on some of the more pressing problems of the day. Although the Young Democratic and Young Republican Clubs were largely inactive, the Conservative Club and the Earlham Political Issues Committee, more commonly known as EPIC, provided both liberal and conservative with sufficient food for thought.

To stimulate the interest of the student body, these two groups each brought several speakers and experts in various aspects of political issues to the Earlham campus. The clubs, as well as sponsoring their own in-

terpretations of the controversial film "Operation Abolition," jointly sponsored a debate on the merits of the House Un-American Activities Committee. Burton White, a leader of the San Francisco demonstration, spoke for the liberals, and Harold Romerstein, nationally known speaker, presented the conservative point of view.

EPIC, concerned with civil rights, made continued and apparently successful attempts to integrate Richmond's roller-skating rink. Tom Haydn, sponsored by EPIC, spoke to groups interested in voter registration of Negroes in the South. James Jackson Kilpatrick, a con-

Members of the Conservative Club, Bob Olson, Bob Vieweg, and Doug Williams, continue discussion with Dr. Russell Kirk after his speech "The Recovery of Norms." Dr. Kirk is known to many as the "Philosopher of American Conservatism." Discussion was held in Meetinghouse.

NO TESTS  
East or West

servative from Richmond, Virginia, spoke early in the third term on civil rights in the South. Senator John Tower (Texas) and Michael Padev, both supporters of conservative philosophy, were brought here by the local club.

As a result of EPIC's work with the Washington Action, it was decided that the Earlham Senate should not deal with political issues. The outcome of the controversy was The Student Political Affairs Committee (SPAC), set up to encourage discussion and education about off-campus issues. Members were selected for their interest in and knowledge about political issues after writing an essay and having had an interview with Nominations Committee and President Bolling. SPAC, taking a non-partisan approach, plans to work with and assist political groups now on campus and to set up joint programs. The newly-formed committee will choose one main topic to concentrate on each term, presenting discussions, speakers, and debates to the campus. Near the end of each term SPAC will sponsor a student-wide referendum on the topic discussed that term.

Jean Prideaux, Curtis Mabry, Bob Seely and Paul Harmon are some of those from Earlham who took part in the project, Washington Action, sponsored here by EPIC this school year.

A sea of probing, demanding faces—members of the Washington Action project from all over the nation.

John E. Mitchell, Democratic candidate for Congress from the Tenth District, dines with Young Democrats during his campaign. Mitchell won the nomination for this important office.

The natural beauty of Shakamak State Park enhances the All-College Meeting held at All College Outing during the spring.

Members of Young Friends, Carla McGinniss, Charlotte Sargent, and Tim Wood, leave for the Richmond State Hospital in the Adopt-A-Patient project, which this group sponsors every year.

## *Vespers are new religious*

The significant new religious activity on campus this year has been the Sunday evening Vespers services, held in the Meetinghouse. An opportunity for a variety of worship experiences, Vespers programs have included hymn sings, poetry readings, interpretative worship with gestures, and candlelight services, as well as more traditional styles of devotional programs.

A Good Friday service, featuring student speakers, was the only activity of the Religious Life Council.

Young Friends continued their work with the Richmond State Hospital. "Adopted" patients were brought to campus for sports events, concerts, and plays.

The Methodist Student Movement held weekly Sunday supper meetings in a local church. Toward the end of the year, emphasis was placed on service projects. Parties were given at the Smith-Esteb Home for the Aged, the

Before All-College Meeting for worship, John Guthrie enjoys the coffee served by Grace Evans, as well as the various goodies.

## *Activity on campus*

Wernle Home for Children, and the Richmond State Hospital. MSM sponsored the well-attended outdoor Easter Sunrise Service, with Joe Elmore speaking.

Friends' Meetings around the state were visited by Earlham's Deputations teams, giving students experience in leading and conducting worship services.

Baha'i students are few in number, but they have sponsored three outside speakers who explained about their beliefs during the year. These meetings were open to the community. A constitution has been drawn up for Bahai Club which is to be organized next fall.

George A. Buttrick, Clifford Crump, Ted Bentley, Eric Curtis and Arthur Little were among the outstanding Meetinghouse speakers of the year. Meetinghouse Cabinet, which supervises the programs, sponsored Sunday morning coffee hours and daily nursery sessions.

At a Sunday Vespers Betsey Gray participates in an interpretive worship by making meaningful gestures to a traditional hymn

Joe Elmore speaks to Earlham students about the "Victory Over Despair" at the Easter sunrise service arranged by MSM. As the hymn, "Christ the Lord Is Risen Today," was sung, the sun shone through the morning clouds, and Easter morning was beautiful indeed.

## *Team debates about labor*

Resolved: Labor unions should be under the jurisdiction of anti-trust legislation." With this as their subject, the debate team did well in the tournaments which they entered.

While the varsity was involved in contests at Denison University, Ball State Teacher's College, and Miami University, and the National Tournament at Evansville, Indiana, the novice team participated in a tournament at Purdue University.

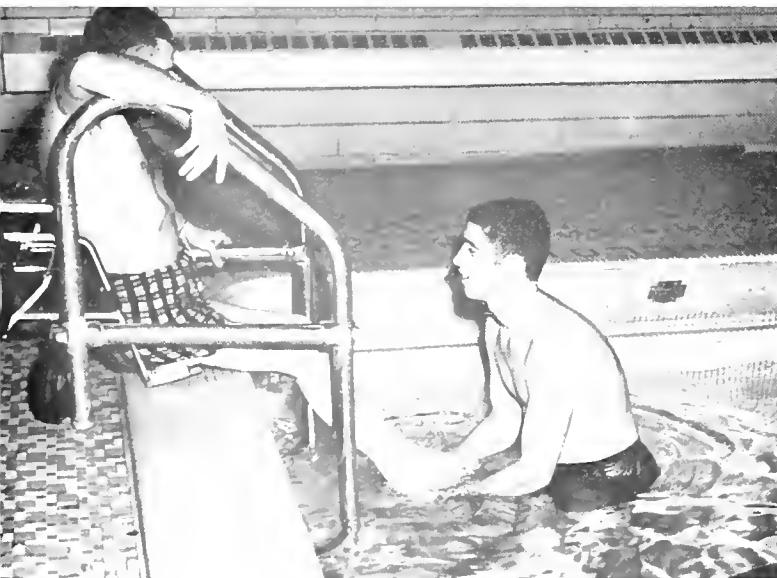

For their fine debating, Neil Hindman, Jack Confer, and Del Hoskins were granted membership in Tau Kappa Alpha, National Honorary Speech Fraternity. This honor was bestowed by Orville Johnson, debate coach.

Row 1: Robert Chandler, John Pctry, Rod Smith. Row 2: Larry Overman, Orville Johnson, coach; Norm Richardson.

Members of the varsity debate team, Jack Confer, Neil Hindman, Genie Showe, and Dahmer Hoskins gather with their coach, Orville Johnson, to get last minute pointers before an important tournament with other college teams.

Al Edraus helps a boy into the pool where Al will teach him how to swim as part of a rehabilitation program at the Y.W.C.A.

## *Red Cross serves*

Working closely with the Wayne County Red Cross, the Earlham students offer to area residents who are physically handicapped a combination rehabilitation-learn-to-swim program. Some twenty Earlham students regularly instruct in the program.

The Earlham Red Cross also conducts square dances for the patients of two state hospitals: one in Richmond, the other in New Castle. About twelve students regularly participate.

In addition to these activities, the Earlham Red Cross also offers Life Saving and First Aid training to Earlham students, gives students the opportunity to do volunteer work in the local hospital, and presents an excellent chance for those interested to do volunteer community service.

## *International club presents fall talent show*

International Talent Night was again the outstanding project of the International Club, which was open to foreign and American students and friends of the college. The talent show featured folk dances and music from many countries, including Africa, England, Germany, and the United States. There were demonstrations of Japanese and Indian costumes. Following the performance the audience was invited to the fieldhouse to learn the dances which it had watched.

Programs after Wednesday dinner meetings included movies, slides, a discussion on Arab nationalism, and programs about Africa. Donald Royer, advisor to foreign students, entertained the club at his home with a folksing.

Kumiko Sato explains the intricacies of getting into a kimono to Doris Baker at the International Talent Show in the fall.

## *ISAC aids students*

The International Student Aid Committee, ISAC, sponsored three foreign students on Earlham's campus this year. This organization's purpose is to raise money through various activities and to direct the income from these campus activities to the support or to the partial support of these students.

Two representatives from each of six to eight service organizations made up the membership of ISAC. This year ISAC utilized foodless banquets, presented a concert, and brought "Romeo and Juliet" to campus in order to earn money for these three students.

ISAC also counseled foreign students and tried to help them adjust to the Earlham campus so that they become a part of the community and participate in campus events.

International Club participants have a final dinner together before the foreign students return to their homes around the world.

This traditionally lively Earthquakers' booth at the Activities Fair, overseen by Bart and Dave Lindlow, offers to interested students a bell and a megaphone—cheap at only 50¢ each.

## *Groups strive to create enthusiasm*

A few years ago some students decided that they wanted to "do something" about extracurricular activities on campus. This group, which called itself Student Interest Group, demonstrated that they could do something. For a period of time they were more active than anyone else in this area; now a number of other groups, both old and new, have become concerned.

The Earthquakers, formed by SIG, is made up of enthusiastic people who work to promote spectator par-

ticipation in sports. They sponsor pep rallies and excursions, direct publicity, and assist the cheerleaders in any other way they can.

Automatically members of Earthquakers, the cheerleaders try to be examples of sportsmanship both on and off the field. With some of their duties now taken over by Earthquakers, they have more time to develop cheers which will really rouse the enthusiasm of the crowds.

The cheerleaders responsible for the enthusiastic response of Earlham students at athletic events this year are Nancy Mitchell, Sandy Kwant, Jane Showalter, Frank Hammons, Susanne Stoehr, Chuck Whitworth, and Randy Beck.

# *Campus chest goal pledged, but not realized*

The goal set by the 1962 Campus Chest co-chairmen, Annie Dumont and Mike Johnson, was \$1299.99. In the course of the auctioning, \$1150 was pledged, but not even the expected \$1299.99 was received. This means that there was no "Dive for your money" and no faculty member jumped from the roof of Earlham Hall into a bathtub of water. Items featured at the sale included a "genuine, hand-carved, ebony, fertility goddess" and a barbecued pig dinner.

A "Modern Madonna—Fertility Goddess," artistic creation of Dan Weaver, is sold to the men of Second North Barrett for only \$45.00

Bill Baumgartner's "hawking" changes the routine of lunches during the hectic Campus Chest Week

Play Boys', Bob Olson and Dan Carter, serve Second South OA girls, Benita Warden and Dorothy Pavey, breakfast in bed—then Campus Chest bonus luxuries lie at Earlham

Arriving freshmen are welcomed by the New Student Week staff with gifts of booklets, beams, and brochures for their beginning.

## *Week of confusion*

Freshman impressions this first week are confused images of lots of tests, discussions . . . faculty-at-home parties, advisors . . . Freshman Outing and Precedents Committee . . . mixers by the score and so many new names. . . .

Dorm life has challenges all its own . . . No, I don't like green curtains! . . . Toothpaste on the mirrors . . . Our drawers have all been rearranged . . . Do I have to have this roommate all year? . . . What are hours tonight? . . . Oh, there's a line on water balloons, but. . . .

Everything was new and strange . . . Wastebaskets, books, registration . . . Do I have my picture taken now? . . . What do you think of *Two Cultures*?

Precedents Committee was a challenge, as were upperclassmen . . . Button Frosh! . . . I had to make a beanie out of my wash-cloth . . . Where can I get a nametag that size? . . . Shoes on the flagpole—yes, I know the rule, Miss Miller, but. . . . My name is Carolyn Bill. . . .

Upperclassmen, too, were impressed by the emphasis on the soaring intelligence of the freshmen not that it necessarily made any difference), and by the noise. . . .

The pulchritude of the freshman female is lavishly displayed at an evening meal.

Jody Steuart and her guitar create a mood of serenity on which the frolicsome, fun-filled Freshman Outing closes, and the new week begins.

Floorshow at the Mayfair? No, just precocious freshmen, Nancy Cox and Janice Miller, at Latham

Members of Precedents Committee, Joan McKee, Barb Berry, and Gimy Hubbs, direct freshmen girls, who, using their noses, roll apples as their penance decreed by Kangaroo Court held in the dining room.

As the evening of Tiv Rush approaches, seniors eagerly camouflage chicken wire of their float.

## *Homecoming busy!*

Weeks of preparation of floats, Tiv Rush, and "The Reluctant Debutante" . . . The theme of the winning sophomore float, "We Auto Win;" the theme of the juniors the next day, "We Auto Won" . . . Damp, but enthusiastic Junior Olympics . . . Earlham College is going Big Ten in football and soccer after *this* season; Ionian's

"Moonshine" for the Roaring Twenties . . . "Where and how do you pin the flowers?" . . . The empty corsage boxes, the multicolored dresses, the low sophisticated hum, the expectant waiting for music to dance to a break for the less agile and more talkative, as well as for the Campus Owls, and the gay, yet motley, confusion of crepe paper and tissue . . . the reign of Queen Sue.

Homecoming Queen Sue Overman is attended by Nancy Barron, Sandy Groves, and Ellen Parmelee as the floats go down Main Street in the Tiv Rush parade of Homecoming weekend.

Lynn McAllister, Sandy Minicker, and Barb Nyland vie to see who has the biggest mouth at the Earlham Junior Olympics.

Earlham spectators never lose the warmth of their enthusiasm even after the Victory Bell rings for them, as it did many times.

Dan Burke manipulates the pin on Suzy Biunstock's corsage before escorting her to the Homecoming dance sponsored by Iowan.

Throngs of Earlham students flock into the Tivoli, the parade destination, to see "The Reluctant Debutante" and the trophy.

Earlham's own snow queen reigns over the Winter Festival Weekend in her personal domain, the snowy girls' hockey field.

Welcome snow—and lots of it—provides the necessary ground for the thrills, and spills of travay on the slope near the Meetinghouse.

## *Festival is wintery*

Snow, snow, and more snow—perfect for a winter weekend. The campus was covered, and unusual-looking statues were found on the Heart and the hockey field. No matter where Earlhamites were, there was snow. The ambitious group of skiers in Michigan skied on four feet of snow, and at other times skated, danced, or sat and enjoyed a roaring fire in the lodge.

It was a busy weekend on campus too—besides the snow, there was jazz from "Cannonball" Adderly, the "Gold Rush," lots of movies, and the usual intellectual stimulation of studying for any spare time.

The dramatic talent of Larry Aaronson gains acclaim at "Gold Rush," the evening program of entertainment for the snowbound.

Earlham's "birds" eagerly await another chance to soar down the ski slope in Michigan over the weekend.

Singing along with Duncan Curtis helps shorten the bus ride to the All-College Outing site in western Indiana.

## *Shakamak fun!*

The bus ride to Shakamak took almost forever. It was hot, and everyone's ability to fall out of boats increased in direct proportion to the amount of sunshine . . . A chance for all to forget studying for three too-short days. The relaxation of being out-of-doors, movies, a square dance, set-up and clean-up were part of everyone's weekend. Working and playing together were enhanced by the quiet and solitude of the woods and the lake.

A forest, a guitar, a piece of music, Millie Rosdail, and Sue Schroeder.

Boating, swimming, hiking, baseball, Frisbee, and sun-bathing were features of All-College Outing.

May Queen, Ellen Parmelee, and Robin Hood, Mush Mamula, enter dining room to greet their subjects.

Fairham's own heroic Pyramus, George Evans, emotes in May Day presentation of the Old English play on the Heart in the morning.

Glorious sunshine falls upon lovely May Queen, Ellen Parmelee, and some of her court, Jane Showalter, Peggy Ensminger, Sandy Groves, and Nancy Barron as they watch "Pyramus and Thisbe" with due appreciation.

## 1961 May Day

Every tree and flower on campus was blooming, it was a dew fresh spring morning, white-gowned Queen Ellen couldn't have been lovelier, and there were photographers all over the place! May Day Breakfast was highlighted by good food and Robin Hood, Mush, leading rounds-typically Old English!

Revels on the Green were impressive and fun for all—participants and audience alike. Then the movies of last

Sponsored by the Phoenix Society, "The Enchanted Garden" features Bobby Christian and his band.

## *weather in 1962*

year's Big May Day brought back memories for most of us.

Lunch was something new—an outdoor barbecue. The food was really good, but maybe it was that big breakfast that caused so much to be left that we had the same menu for supper.

Climax of the day "Enchanted Garden" and the big-name band, Bobby Christian. The band was excellent and the "Fight-Song Twist" was the crowning touch to a perfect day.

Barbecued chicken, potato salad, baked beans, lemonade, and chocolate cake fill the menu for the picnic lunch on May Day. Sunshine, fresh air, and ants were among the many other attractions.

Mary Jo Hadley with her escort Dick Dunham passes through archway to the receiving line in the "Garden"

George London's rich baritone thrills those at this first concert of the year's Earlham Artist Series, given on the Fieldhouse stage.

## *Varied events attract the*

A variety of cultural events provided something to interest all students (and faculty too). In these events all individuals could join with others of the campus and the community who shared the same interests.

Music was by itself a field of great variety. George London's fine voice started the season. Later in the year a different variety of vocal music was presented by Richard Dyer-Bennett, a "troubador" instead of a folksinger. Orchestral music of superb quality came from the Cincinnati Symphony. Although the concert was late in starting, it was made later by the calls for encores. The annual excellent performance of the Juilliard String Quartet was attended by a large crowd of music lovers. A high point of the year was the program given by the Beaux-Arts Trio from New York.

E. Martin Browne, Professor of Religious Drama at Union Theological Seminary and Danforth Lecturer, and his wife read from T. S. Eliot's "The Cocktail Party" in the Meetinghouse for the interested.

## *interest of many*

New vistas in drama were opened by the E. Martin Brownes. The couple gave a Convocation on miracle plays and attended classes and read from modern religious drama. Their evening program on T.S. Eliot included readings from "Murder in the Cathedral" and "The Cocktail Party."

An unusual program of Japanese classical dance was given early in the spring. Although strange in form to Western eyes, the performance had universal beauty and humor.

Throughout the year the Humanities Teas offered great diversity in programs. The topics included everything from reports on Russia and Peru to an hour of love poetry read by students.

The Cincinnati Symphony conducted by Max Rudolph, performs Smetana's "The Moldau" for many

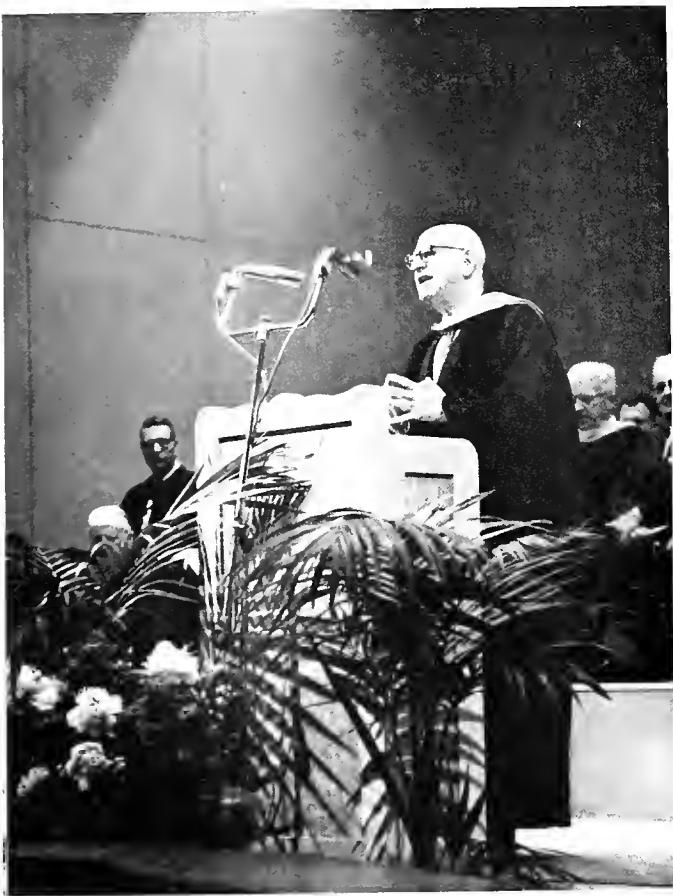

Richard Dyer-Bennett provides witty comment with folk singing.

In January at the Humanities Tea Reverend James Lawson, a leader of the sit-ins at Nashville lunch-counters, expresses his views regarding the emerging non-violence movement to those crowded into the library.

Smiles of library committee members surround Howard S. Mills, Chairman of the Board of Trustees, as he enthusiastically breaks ground for the new library.

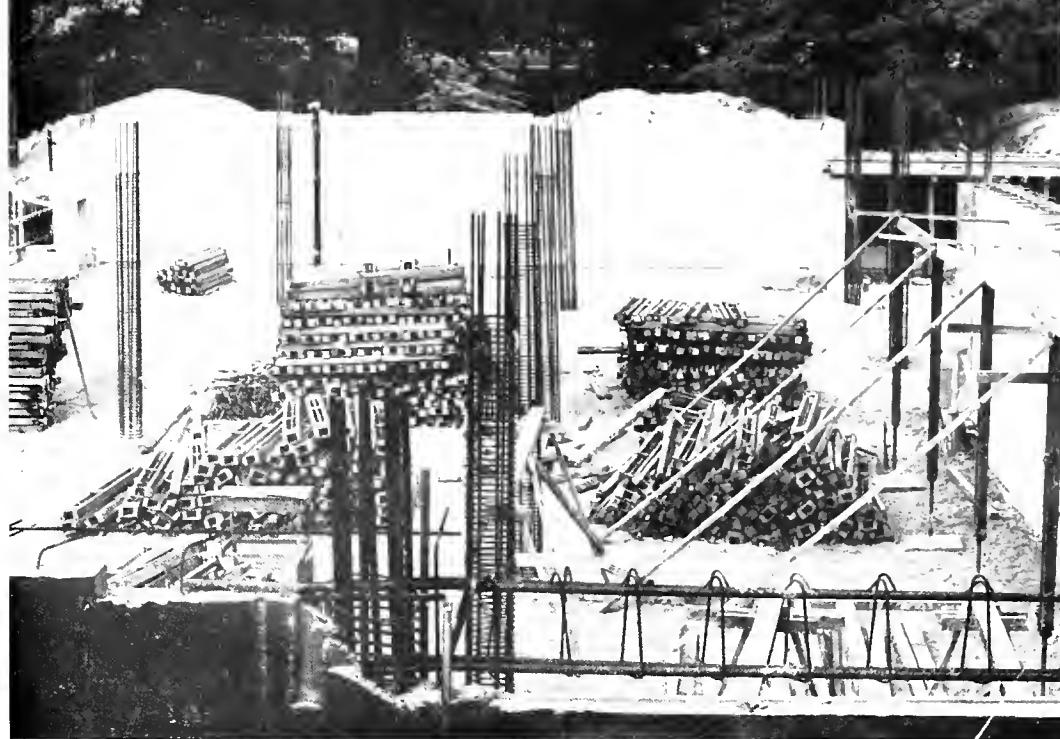

Clifford Caump, on the fiftieth anniversary of his own commencement, speaks at Baccalaureate Service to all about "A New Heaven and a New Earth."

Landrum Bolling gives Rachel Billings her diploma at the One Hundred and Fifteenth Earlham College Commencement on June 10th.

Earlham is in the movies! The movie hopefully will contribute to the fund raising drive to provide capital for new buildings.

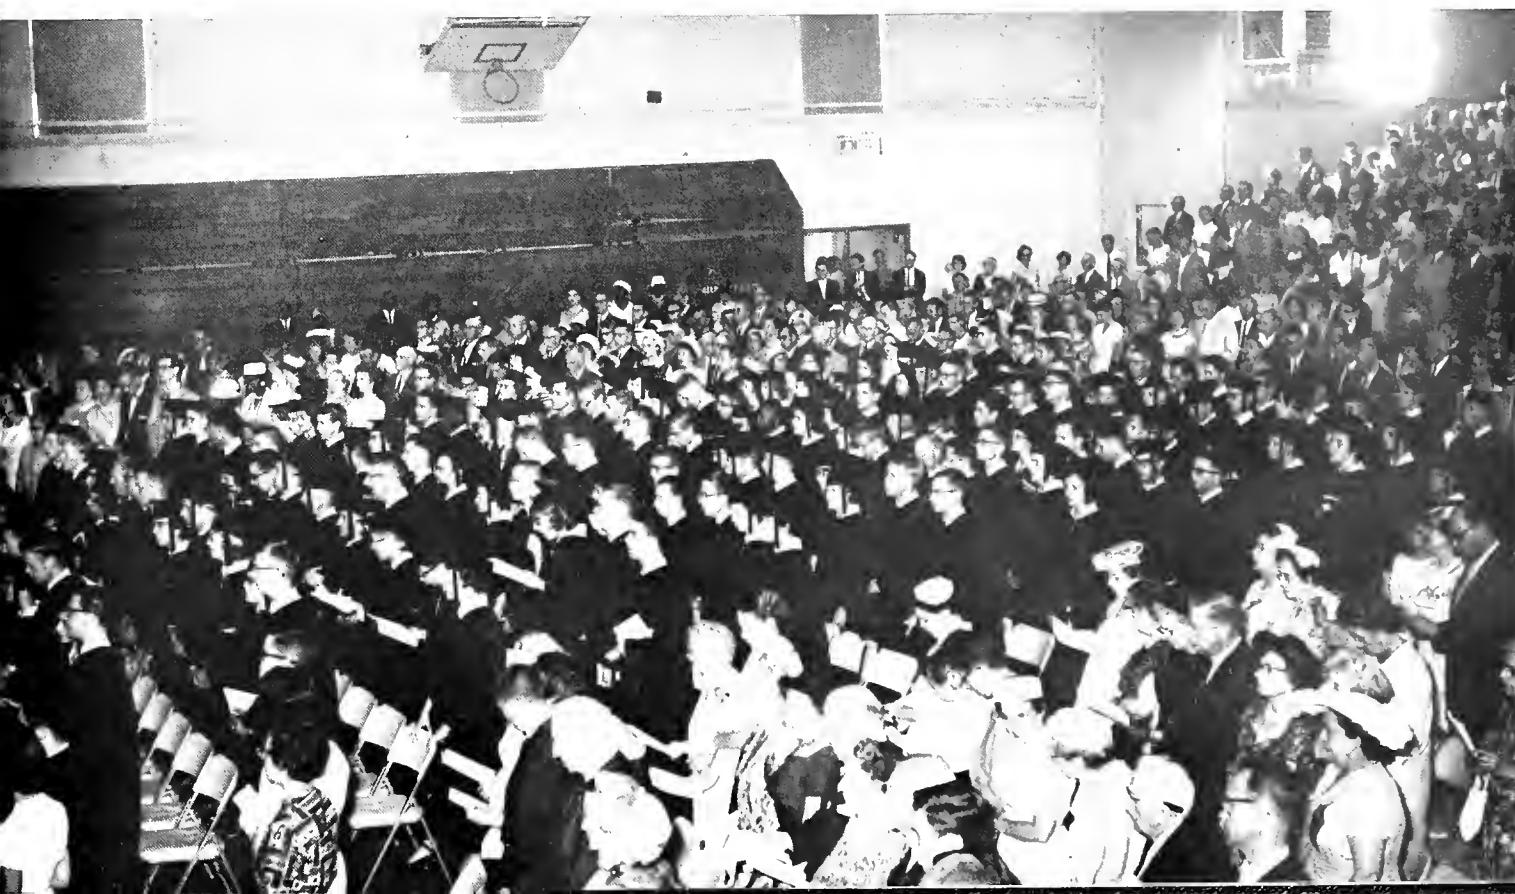

Library construction, once begun, progresses very rapidly

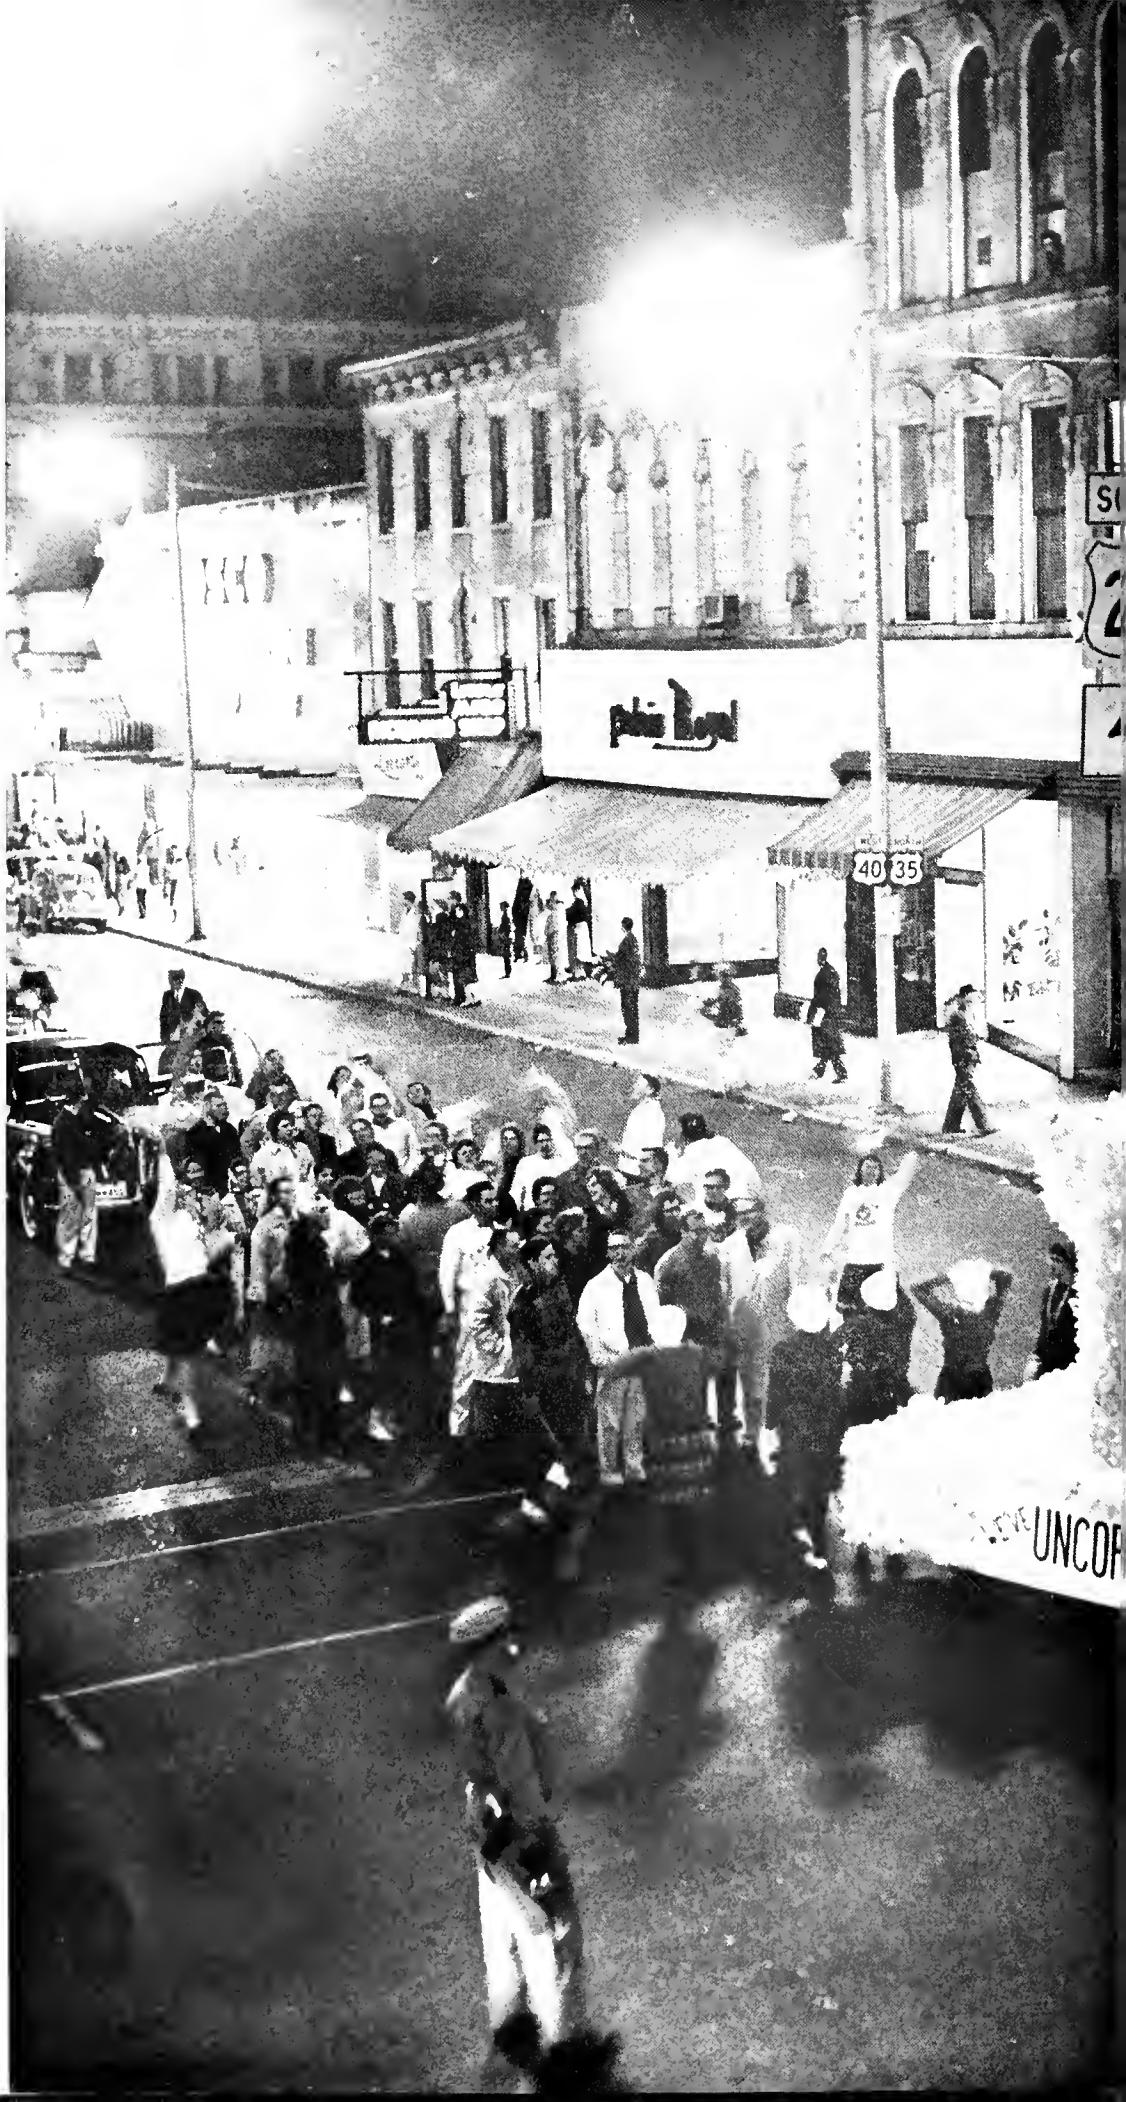

## *For graduates a new life; for Earlham a new face*

The future always brings change with it, and the future of Earlham is no exception. Its graduates will go on to graduate school or to careers in many areas. While the lives of graduates are being modified, Earlham itself will take on a new shape. In the next few

years, returning graduates will have to ask directions in order to find the Student Union Building, the new boy's dormitory, the new Campus Village, and the School of Religion. In looking forward to the changes, which will occur for both the graduates and the college, it is hoped that they will be beneficial.

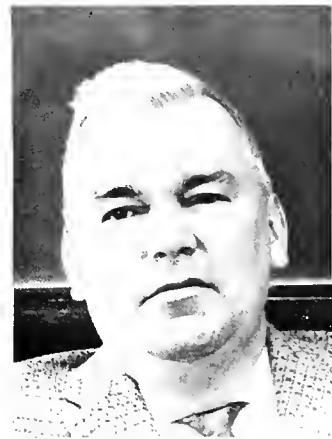

Earlham graduates this year utilize the Fieldhouse Auditorium for Commencement exercises

*Advertising,  
Finis*

The advertisers in our book are in it because they are interested in the work of Earlham College, and are anxious to have Earlham remember them. The advertising in the Sargasso is a guide to the businesses of Richmond. The Sargasso recommends to the Earlham community that they try to remember the businesses in this guide as they determine which places to patronize during the coming year.

Engravings by  
ROPKEY ENGRAVING CO.  
Indianapolis, Indiana

# *The Co-Editors of the 1962 Sargasso wish to thank . . .*

so very many people who have enabled us to complete this yearbook. We are especially appreciative of the assistance given to us by Chuck Mueller of the Ropkey Engraving Company and George Graessle of the Graessle-Mercer Company. We want to thank Clarence Priser, who photographed the underclassmen, and John Reid, who photographed the seniors. We are also indebted to the Macmillan Company for their permission to reprint the poem "Nobody Comes" by Thomas Hardy. Too, we would like to acknowledge John Donne as the author of the sermon from which the headline quotation on page seven was taken. People can be wonderful! Wanda Harvey has answered many a call for help, and we could always depend upon Susan Castator in emergency situations. And how patient our advisor Jerry Bakker has been! Those, besides staff members, who have helped us at the last minute deserve special thanks. These include Mickey Ellison, Richard Freedman, Mary Stinecipher, Karen Magee, David Reusser, Keith Haynes, Monte Bernstein, Jana Beauchamp, Ralph Andrew, Sue Schroeder, Susan Beggs, Lew Langston, Sue Drury, and many, many others. A more than special "thank you" we extend for the wonderful assistance of Malinda McCain and for the faithful service of our photographer Lindsay Haisley. To our staff—to one and all—Thank you!

Carol Sklenar  
Earl Swallow

Co-editors Carol Sklenar and Earl Swallow.

Row 1: Signy Kunitsen, underclassman editor; Suzy Bienstock, copy editor; Kris Wright, activities editor; Malinda McCain, senior editor. Row 2: Jeanne McCord, photography editor; Bob Vieweg, business manager; Genie Show, Jerry Bakker, advisor; Shirley Buop. NOT PICTURED: Eileen DeVries, academic editor; Ron Raitt, sports editor; John Petry, assistant copy editor.
